Provider Directory Introduction for BCN Advantage℠ HMO-POS

This directory provides a list of BCN Advantage HMO-POS network providers.

You will have to choose one of the network providers who are listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP is the best resource for coordinating your care and can help you find an in-network specialist. However, BCN Advantage doesn't require a referral for you to make an appointment with an in-network specialist. Some in-network specialists may still need to confirm with your PCP that you need specialty care.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Please note:

- In the event of an emergency, call 911 or go directly to an emergency room.
- If your condition is urgent and you are in the BCN Advantage coverage area, go directly to a network urgent care facility. When you are travelling outside the BCN Advantage coverage area, go to any urgent care facility.
- For mental health or substance abuse treatment, call the BCN Advantage behavioral health unit at 1-800-431-1059. TTY users should call 711.
- For routine gynecological services, women may see any participating physician or OB/GYN.

Before selecting a physician, specialist or hospital, check the directory or call to see if they are accepting new patients. You are free to change your PCP by calling the Customer Service number on the back of your card.

If you get a bill from a non-plan provider

We cover certain health care services you may get from non-plan providers, including:

- Care for medical emergencies
- Urgently needed care
- Renal dialysis that you get outside the BCN Advantage service area
- Care that has been approved in advance by Blue Care Network
- Any services that were ordered covered through an appeals process

If you receive care from an out-of-network or non-contracted provider, the provider may bill you for the services you receive. Do not pay the bill. Please mail your itemized bill along with your name and contract number to us so we can review it for payment. Mail the information to:

BCN Advantage HMO-POS
P.O. Box 68753
Grand Rapids, MI 49516-8753

The provider has a right to get his/her fees, but does not have the right to get them from you. Ask the non-plan provider to bill us first. You should expect to pay your cost share at that time. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and will let you know what, if anything, you must pay.

Emergency care can always be obtained in or out of the service area from the nearest available provider. For urgent care in the BCN Advantage service area you must use plan providers. When out of the service area, you may obtain urgent care from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

If you obtain routine care from out-of-network providers neither Medicare nor BCN Advantage will be responsible for the costs.

When you call, you'll speak to a care manager who will evaluate your needs and arrange for the appropriate services. You can call 1-800-431-1059 (TTY 711) to:

- Obtain information about your behavioral health or substance abuse benefits

Vision care

To find a VSP provider near you, call the Customer Service number on the back of your ID card 8 a.m. to 8 p.m., Monday through Friday, with weekend hours October 1 through March 31. TTY users should call 711. Or go to **www.vsp.com**.

Fitness

If your plan includes fitness coverage (consult your *Evidence of Coverage*), SilverSneakers® is your fitness provider. To find a participating location near you, call 1-888-423-4632 from 8 a.m. to 8 p.m. Eastern time, Monday through Friday. TTY users should call 711. Or, visit **www.silversneakers.com**.

Durable medical equipment supplies

BCN Advantage HMO-POS works with Northwood Inc. to supply your outpatient durable medical equipment, as well as prosthetic and orthotic appliances, except for diabetic supplies. Your PCP or specialist is responsible for determining your need for this equipment. He or she will write a

prescription for the equipment, and you must have the prescription filled at a Northwood network provider.

In general, durable medical equipment is covered only when appropriate for use in your home. Coverage is provided for the basic equipment or appliances and for any medically necessary features prescribed by your physician. For services that exceed the basic benefit and quantity limitations, your PCP or specialist may need to document medical necessity. If you wish to enhance your equipment beyond medical necessity, you must pay the difference for the upgrade.

To locate the Northwood network provider nearest you, call 1-800-667-8496, 8:30 a.m. to 5 p.m., Monday through Friday. TTY users should call 711.

Diabetic supplies

If you require diabetic supplies, including insulin pumps, blood glucose monitors (but excluding continuous glucose monitors), test strips and lancets, you will get your items through the Northwood network of providers. Select continuous glucose monitors must be obtained from a network pharmacy. Your physician will write a prescription for the diabetic supplies you need. To locate the Northwood network provider nearest you, call 1-800-667-8496, 8:30 a.m. to 5 p.m., Monday through Friday. TTY users should call 711.

Outpatient lab services

BCN Advantage HMO-POS uses Joint Venture Hospital Laboratories (JVHL) as its outpatient lab services provider. To locate a JVHL affiliated provider near you, call 1-800-445-4979, 8 a.m. to 4:30 p.m., Monday through Friday. TTY users should call 711. Or, visit the JVHL website at **www.jvhl.org**.

If you have additional coverage questions about any of these services, please call the Customer Service number on the back of your ID card.

(Note: VSP, Northwood and JVHL are independent corporations retained by Blue Care Network to provide services to its Medicare Advantage members. Tivity Health™ is an independent company that has a contract with Blue Cross Blue Shield of Michigan and BCN Advantage to offer fitness services. SilverSneakers is a registered trademark of Tivity Health, Inc. © 2024 Tivity Health, Inc. All rights reserved.)

Note: Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Wait time standards

BCN Advantage HMO-POS has standards for timeliness of access to primary care and behavioral health services. Wait times must meet or exceed the minimum standards as follows:

- Urgently needed services or emergency – immediately
- Services that are not emergency or urgently needed, but the enrollee requires medical attention – within 7 business days
- Routine and preventive care – within 30 business days

What does “point-of-service” mean?

This is an HMO-POS plan. HMO means Health Maintenance Organization; POS means Point-of-Service. You can use certain providers outside the BCN Advantage HMO-POS network when traveling, often for your in-network cost-sharing amount.

If you need care when you're traveling outside of Michigan, you can access the Point-of-Service (POS) benefit, offered via the Blue Cross Blue Shield Association, which allows you to receive certain covered services from providers who participate with Medicare and Blues plans within the United States, the District of Columbia and Puerto Rico. Services in the District of Columbia and Puerto Rico are only covered if you go to a Medicare-approved provider.

Note: POS is not the same as out-of-network; you pay all costs for services from out-of-network providers.
