Provider Directory Introduction for BCN Advantage℠ HMO Community Value

This directory provides a list of BCN Advantage Community Value network providers.

The BCN Advantage Community Value network is a provider-specific network designed for members of BCN Advantage Community Value. You must receive services from providers in the BCN Advantage Community Value network. If you see a BCN Advantage provider who is not part of the BCN Advantage Community Value network, you are actually seeing an out-of-network provider.

You will have to choose one of the network providers who are listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. When you need specialized treatment, your PCP will coordinate your care through an in-network provider. Your specialist should discuss your care options with your PCP. In some situations, you may be directed back to your PCP for further follow-up care.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Please note:

- In the event of an emergency, call 911 or go directly to an emergency room.
- If your condition is urgent and you are in the BCN Advantage coverage area, go directly to a network urgent care facility. When you are travelling outside the BCN Advantage coverage area, go to any urgent care facility.
- For mental health or substance abuse treatment, call the BCN Advantage behavioral health unit at 1-800-431-1059. TTY users should call 711.
- For routine gynecological services, women may see any participating physician or OB/GYN.

Before selecting a physician, specialist or hospital, check the directory or call to see if they are accepting new patients. You are free to change your PCP by calling the Customer Service number on the back of your card.

If you get a bill from a non-plan provider

We cover certain health care services you may get from non-plan providers, including:

- Care for medical emergencies
- Urgently needed care
- Renal dialysis that you get outside the BCN Advantage service area
- Care that has been approved in advance by Blue Care Network
- Any services that were ordered covered through an appeals process

With the exception of emergencies, it may cost more to get care from out-of-network providers.

If you receive care from an out-of-network or non-contracted provider, the provider may bill you for the services you receive. Do not pay the bill. Please mail your itemized bill along with your name and contract number to us so we can review it for payment. Mail the information to:

BCN Advantage HMO
P.O. Box 68753
Grand Rapids, MI 49516-8753

The provider has a right to get his/her fees, but does not have the right to get them from you. Ask the non-plan provider to bill us first. You should expect to pay your cost share at that time. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and will let you know what, if anything, you must pay.

Emergency care can always be obtained in or out of the service area from the nearest available provider. For urgent care in the BCN Advantage service area you must use plan providers. When out of the service area, you may obtain urgent care from the

first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

If you obtain routine care from out-of-network providers neither Medicare nor BCN Advantage will be responsible for the costs.

Durable medical equipment supplies

BCN Advantage works with Northwood Inc. to supply your outpatient durable medical equipment, as well as prosthetic and orthotic appliances, except for diabetic supplies. Your PCP or specialist is responsible for determining your need for this equipment. He or she will write a prescription for the equipment, and you must have the prescription filled at a Northwood network provider.

In general, durable medical equipment is covered only when appropriate for use in your home. Coverage is provided for the basic equipment or appliances and for any medically necessary features prescribed by your physician. For services that exceed the basic benefit and quantity limitations, your PCP or specialist may need to document medical necessity. If you wish to enhance your equipment beyond medical necessity, you must pay the difference for the upgrade.

To locate the Northwood network provider nearest you, call 1-800-667-8496, 8:30 a.m. to 5 p.m., Monday through Friday. TTY users should call 711.

Diabetic supplies

If you require diabetic supplies, including insulin pumps, blood glucose monitors (but excluding continuous glucose monitors), test strips and lancets, you will get your items through the Northwood network of providers. Select continuous glucose monitors must be obtained from a network pharmacy. Your physician will write a prescription for the diabetic supplies you need. To locate the Northwood network provider nearest you, call 1-800-667-8496, 8:30 a.m. to 5 p.m., Monday through Friday. TTY users should call 711.

Outpatient lab services

BCN Advantage uses Joint Venture Hospital Laboratories (JVHL) as its outpatient lab services provider. To locate a JVHL affiliated provider near you, call 1-800-445-4979, 8 a.m. to 4:30 p.m., Monday through Friday. TTY users should call 711. Or, visit the JVHL website at **www.jvhl.org**.

If you have additional coverage questions about any of these services, please call the Customer Service number on the back of your ID card.

(Note: VSP, Northwood and JVHL are independent corporations retained by Blue Care Network to provide services to its Medicare Advantage members. Tivity Health™ is an independent company that has a contract with Blue Cross Blue Shield of Michigan and BCN Advantage to offer fitness services. SilverSneakers is a registered trademark of Tivity Health, Inc. © 2024 Tivity Health, Inc. All rights reserved.)

Note: Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Wait time standards

BCN Advantage Community Value has standards for timeliness of access to primary care and behavioral health services. Wait times must meet or exceed the minimum standards as follows:

- Urgently needed services or emergency – immediately
- Services that are not emergency or urgently needed, but the enrollee requires medical attention – within 7 business days
- Routine and preventive care – within 30 business days

What does "point-of-service" mean?

This is an HMO-POS plan. HMO means Health Maintenance Organization; POS means Point-of-Service. You can use certain providers outside the BCN Advantage HMO-POS network when traveling, often for your in-network cost-sharing amount.

If you need care when you're traveling outside of Michigan, you can access the Point-of-Service (POS) benefit, offered via the Blue Cross Blue Shield Association, which allows you to receive certain covered services from providers who participate with Medicare and Blues plans within the United States, the District of Columbia and Puerto Rico. Services in the District of Columbia and Puerto Rico are only covered if you go to a Medicare-approved provider.

Note: POS is not the same as out-of-network; you pay all costs for services from out-of-network providers.

Pharmacy Directory Introduction for BCN Advantage Community Value

This booklet provides a list of BCN Advantage Community Value's network pharmacies near you. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and BCN Advantage Community Value's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means BCN Advantage. When it refers to "plan" or "our plan," it means BCN Advantage Community Value.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan enrollees. In most cases, your prescriptions are covered under BCN Advantage Community Value only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies are not listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 04/07/2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be lower at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with (P) to distinguish them from other pharmacies in our network that offer standard cost sharing. Pharmacies that offer standard cost sharing are labeled with (S). Cost sharing information can be found in the Summary of Benefits.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

For more information, please see the section in this pharmacy directory on retail pharmacies, including chain pharmacies outside the BCN Advantage Community Value service area or call Customer Service at 1-800-450-3680, 8 a.m. to 8 p.m., Monday through Friday.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact BCN Advantage Community Value.
