This tailored network is centered on providing you with access and flexibility. And primary care providers in the PCP Focus network maintain the same high level of quality medical care you deserve and expect.

All employees and eligible dependents must select their primary care provider from the PCP Focus network, regardless of the county in which they live.

You must have a PCP Focus network primary care provider for medical services to be covered.

The PCP Focus network offers you the flexibility to see any of BCN's specialists **with a referral from your primary care provider** — and gives you access to the leading BCN-contracted hospitals and facilities in Michigan.

To check if your doctor is in the PCP Focus network and participates as a primary care provider, visit [bcbsm.com](https://bcbsm.com) and select *Find a Doctor* in the opening screen. Then select *All Plans* in the top menu bar. Select *Find a different plan*. In the search box, type "Blue Care Network PCP Focus Network (HMO)" as the health plan.
