Northwood DMEPOS management program: Procedure codes requiring prior authorization

For Blue Cross commercial

Revised December 2023

We've moved this information.

To view the procedure codes that are associated with durable medical equipment, prosthetics and orthotics, and diabetes supplies and that require prior authorization through Northwood, Inc.:

1. Open the [Procedure codes for which providers must request prior authorization](#) PDF.
2. On page 1 of that document, read the "To search for a procedure code in this document" section on page 1 to learn how to search for a procedure code and more.

Northwood Inc. is an independent company that manages both prior authorizations and a supplier network for durable medical equipment, prosthetics and orthotics, and medical supplies (including diabetes supplies) for various Blue Cross Blue Shield of Michigan and Blue Care Network members.
