The 12-week program includes over-the-phone coaching for quitting all types of tobacco products, including electronic cigarettes and other vaping devices. And, it's offered at no extra cost to you.

To be eligible for the program, you must:

- Be ready to set a quit date within the next 30 days
- Have used a tobacco product within the past seven days of your initial call to WebMD

When you engage in the program, you'll receive:

And, about seven months after the program ends, your health coach will contact you to check on your progress.
