

The background of the entire page is a soft, light blue-toned image of several hands reaching out towards the center. The hands are rendered in a painterly, slightly blurred style, creating a sense of reaching and support. The lighting is gentle, with some areas appearing brighter than others, emphasizing the texture of the skin and the gesture of the hands.

Intervening in Domestic Violence and Abuse

The Health Care Provider's
Resource and Referral Guide to
Partner & Elder Abuse

Where to Go for Help

The following section, compiled by the Michigan Coalition Against Domestic and Sexual Violence, lists domestic violence service providers in Michigan. Please check its Web site listed below for updates. These service providers offer a variety of services including emergency shelter, counseling and support groups, legal advocacy, child care services and referrals to other community assistance. This list is alphabetized by county. Refer patients to the county nearest them.
