

Suite 1300 4000 Town Center Southfield, MI 48075

mibluecrosscomplete.com

- 1. Complete the application in its entirety.
- 2. No handwritten forms; please type.
- 3. This cover sheet must be the first page of your form submission.
- Fax the enrollment form and attachments (i.e. supporting documents) to 1-855-306-9762 or email to
 <u>bccproviderdata@mibluecrosscomplete.com</u>. Be sure to submit the enrollment form separately for each provider.
 (For example: If you register two or more providers, you must send a fax/email for each provider. They cannot be
 bundled into one transmission.)
- 5. You can also mail the completed forms and documentation to: Blue Cross Complete of Michigan, Provider Network Operations, 4000 Town Center; Suite 1300, Southfield, MI 48075
- 6. Supporting documents checklist is located at the end of the enrollment form. Please review and ensure all required documents are submitted along with this enrollment form.

Note: You are required to complete and maintain a credentialing application through the Council for Affordable Quality Healthcare[®] at <u>https://upd.caqh.org/oas/.*</u> In order for your Blue Cross Complete affiliation request to be processed, you **must complete your CAQH application** within 14 calendar days. If you have already completed the CAQH application, your attestation must be up to date. If your CAQH application is not complete or if your attestation is expired after 14 calendar days, your request will be closed and you will need to reapply once updated.

To avoid processing delays, please ensure all fields below are completed

Section 9: Compliance Attestation – Primary Care Providers

- 1. Children Special Health Care Services and/or Transition-aged youth or young adults with chronic health conditions If you'd like to provide services to the Blue Cross Complete CSHCS population and meet the primary care practice criteria listed below, please check one or both boxes that apply:
 - A. Provider currently serves special populations of:
 - $\hfill\square$ Children or youth with complex chronic health conditions
 - $\hfill\square$ Transition-aged youth or young adults with complex chronic health conditions.
 - B. Provider's practice has a procedure in place to identify special populations of children, youth, transition-aged youth or young adults with chronic health conditions.
 - C. Provider's practice will provide expanded appointments when the special populations of children, youth, transition-aged youth or young adults have complex needs and requires more time.
 - D. Provider's practice has experience coordinating care for special populations of children, youth, transition-aged youth or young adults who receive services from multiple professionals, such as subspecialists, physical therapists and behavioral health professionals, etc.
 - E. Provider's practice has a designated professional responsible for care coordination for children, youth or young adults who see multiple professionals.
 - F. Provider's practice is open to new patients (children, youth, transition-aged youth or young adults) with potentially complex chronic health conditions.
 - G. Provider's practice provides services that are appropriate Health Care Transition, including the use of a transition readiness assessment and adoption of a transition policy that is publicly posted and specifies:
 - 1. The transition time frame
 - 2. The transition approach
 - 3. Any legal changes that take place in privacy and consent at age 18
 - H. Provider will notify Blue Cross Complete should the provider no longer be able to meet the requirements outlined above.

Section 10: Enrollment signature

* denotes required field

I certify that the information contained in this application is true and complete and the accompanying documents are correct and complete to the best of my knowledge and belief. If this enrollment form contains any material omission or false or misleading information, I understand that participation with Blue Cross Complete may be rejected or terminated. I further understand that a copy of these statements shall be as binding as the original.

I will notify Blue Cross Complete of Michigan immediately in writing of changes affecting this data. If I am a practitioner in training, I will not report services that are related to my training program and rendered at the address from which I am training. Should I re-enter training, I will notify Blue Cross Complete of Michigan.

I hereby authorize Blue Cross Complete to verify the information provided on this application and accompanying documentation through contracting, credentialing, recredentialing or reappointment activity of Blue Cross Complete.

Credentialing – Healthcare professional and provider rights

I understand that healthcare professional and providers have the right to:

- Review information obtained through primary source verification for credentialing purposes. This includes information from malpractice insurance carriers and state licensing boards. This does not include information collected from references, recommendations and other peer review protected information
- Be notified if any credential information is received that varies substantially from application information submitted by the health care professional or provider: (actions on license, malpractice claim history, suspension or termination of hospital privileges, or board-certification decisions with the exception of reference, recommendations or other peer-review protected information. The health care professional or provider will have the right to correct erroneous information if the credentialing information received varies substantially from the information that was submitted on his or her application
- Upon request, be informed of the status of their application if application is current and complete, the
 applicant can be informed of the tentative date that his or her application will be presented to the Credentialing
 Committee for approval.
