

Blue Care Network Qualification Form

What to do

The *Blue Care Network Qualification Form* is on Page 2. It applies to members who are part of:

- Healthy *Blue Living*SM HMO
- Healthy *Blue Living* HMO BasicSM
- BCN Wellness Rewards TrackingSM

Complete the *Member Section*, then give the form to your primary care provider as a reminder for them to submit your form online. **Online submission of your qualification form is due within the first 90 days of your plan year.** Your deadline date is posted on your to-do list in your online member account at **bcbsm.com**. See below.

You don't need to wait until your new plan year starts to see your doctor. We'll accept a qualification form from an office visit that occurred up to 180 days before the start of your plan year.

Learn your requirements, deadline dates and more about your coverage

You have certain tasks to complete within specific timeframes. **Here's how you can check what requirements you need to do, your deadline dates and coverage:**

- Refer to the *Welcome Book* you received in the mail.
- Save the letters you receive from BCN about the requirements and deadlines specific to you.
- Check your to-do list, requirements and deadlines in your account.
 - Log in to your account at **bcbsm.com** using your computer or the web browser on your mobile device or tablet. (Your to-do list is not available through our mobile app.)
 - Click *My Coverage* in the navigation menu.
 - Click *Medical* from the drop-down menu.
 - Click *To-do List*.

If you have questions, call the Customer Service number on the back of your BCN member ID card.

Important: The qualification form shows that a cotinine test is required. A cotinine test checks for tobacco use. Some members may not be required to complete the cotinine test — see your member materials for information.
