Medicare PLUS Blue™ Group PPO Prescription Blue™ Group PDP

Blue Cross Blue Shield of Michigan is a nonprofit corporation and independent licensee of the Blue Cross and Blue Shield Association.

Attention Blue Cross Blue Shield of Michigan members:

This is a list of changes made to the Medicare Plus Blue Group PPO and Prescription Blue Group PDP Group Comprehensive and Group Enhanced Comprehensive formularies since their initial release in October 2023

Blue Cross may add or remove drugs from our formulary during the year. If we make any of the following changes, we'll notify you at least 30 days before the effective date:

- Remove drugs from our formulary
- · Add prior authorization, quantity limits or step therapy to a drug
- · Move a drug to a higher cost-sharing tier

Some formulary changes don't require advance notice but will be posted on this <u>link</u>. If your physician prescribes a drug that isn't on our formulary, isn't a preferred drug or is subject to additional utilization requirements, you can ask us to make a coverage exception. You or your physician can initiate an exception request. While the use of a form isn't always required, it's available on the Blue Cross website at www.bcbsm.com/medicare.

We'll make coverage determinations for standard and urgent requests within 72 and 24 hours, respectively. If Blue Cross denies coverage for your prescription drugs, we'll explain our decision. You always have the right to appeal and ask us to review a claim denial. For more detailed information about your Blue Cross prescription drug coverage, review your Medicare Plus Blue or Prescription Blue *Formulary* or *Evidence of Coverage*.

If you have questions about the Blue Cross drug formulary, call Customer Service at **1-866-684-8216** from 8:30 a.m. to 5 p.m. Eastern time Monday through Friday. From October 1 through March 31, hours are from 8 a.m. to 9 p.m. Eastern time, seven days a week. TTY users call 711.
