	In network	Out of network
Out-of-pocket costs		
Out-of-pocket maximum (embedded) ¹	\$4,000 per member \$8,000 per family	\$8,000 per member \$16,000 per family
Deductible (aggregate) ²	\$1,500 – Employee only \$3,000 – Family	\$3,000 – Employee only \$6,000 – Family
Coinsurance	20% for most services 40% for acupuncture	40% for most services
Fourth quarter carryover	N/A	
<p>¹ The embedded out-of-pocket maximum (OOPM) means that no one family member can contribute more than the individual amount toward the family OOPM. The annual out-of-pocket maximum (OOPM) is the limit to the total dollar amount you could be required to pay for covered services during the plan year. The individual OOPM applies to any one family member. The family OOPM is the collective amount that could be paid by any combination of family members.</p> <p>² The Individual deductible only applies to employee only coverage. The aggregate deductible means that the Family deductible applies to the coverage of employee plus spouse and/or other dependents. Any one member of the family or any combination of family members may fulfill the entire family deductible. The applicable deductible must be fulfilled prior to services being paid by the plan.</p>

This benefit chart is intended as an easy-to-read summary. It is not a contract. Additional limitations and exclusions may apply to covered services. Every effort has been made to ensure the accuracy of this information. However, if statements in this description differ from the applicable coverage documents, then the terms and conditions of those documents will prevail. Payment amounts are based on the Blue Cross-approved amount, less any applicable deductible and/or coinsurance amount required by the State Health Plan. This coverage is provided pursuant to a contract entered into with the State of Michigan and shall be construed under the jurisdiction and according to the laws of the state of Michigan.
