

GROUP ACCIDENT INSURANCE

There were **55,400,000** preventable injuries in 2020.¹

Should you consider Group Accident Insurance?

If you experience an accidental injury, it could hurt you physically and financially.

Experiencing an accidental injury can be overwhelming—and expensive. Dearborn Life Insurance Company's Group Accident Insurance, which is offered as Specialty Benefits in cooperation with Blue Cross Blue Shield of Michigan, provides cash for the unexpected costs of an accidental injury. It works alongside your major medical coverage to help pay for out-of-pocket expenses, such as insurance deductibles, copays, treatment and more.

Answer the following questions to see if accident insurance is right for you.

- YES** If you had to pay your entire health insurance out-of-pocket amount today, would that create a financial hardship for you and your family?
- YES** Do you have a high-deductible health plan?
- YES** Do you or your family participate in athletic activities that make you prone to accidental injuries?
- YES** Would taking unpaid time from work to provide caregiving duties for an injured family member create a financial strain?

If you answered

YES

to any of these, then it's time to review your accident insurance protection.

Now is the time to enroll in accident insurance!
Look for more information during open enrollment.
