Prescription drug benefits

Your UAW Trust prescription drug benefits are provided by Blue Cross as part of your Medicare Plus Blue plan. The plan provides coverage through a nationwide network of retail pharmacies, as well as a convenient mail-order program.

Medications are assigned to one of three copay categories called tiers. When you fill a prescription, your copay amount will be based on which tier the drug is in and how the drug is dispensed — retail pharmacy or mail order. If the cost of the drug is less than your copay, you'll only pay the cost of the drug.

	Retail 31-day supply	Mail order 90-day supply
Tier 1	\$0	\$0
Tier 2	\$33	\$33
Tier 3	\$115	\$115
Out-of-pocket maximum <i>Includes copays for Tier 2 medications only. Tier 3 medications are excluded.</i>	\$1,500	

Retail pharmacy versus mail-order delivery?

Filling prescriptions at a pharmacy is perfect for short-term needs, for example when you have a prescription for an antibiotic. Choosing retail is also great when your doctor is still trying to establish the appropriate drug, strength and dosage for your ongoing needs. We have an easy-to-use online *Find a Pharmacy* tool to help you locate a participating pharmacy near you.

The mail-order option is the more convenient and cost-effective way to get ongoing prescription medications, for example maintenance drugs, such as cholesterol medications. You can order up to a 90-day supply of your prescription delivered to your home and the shipping is free. Mail order offers a great savings opportunity since you'll pay the same low copay as the retail copay for three times the amount of medication.

Enrolling in Medicare Plus Blue

Important: You can only be enrolled in one Medicare Advantage plan at a time. If you're already enrolled in a Medicare Advantage plan or Medicare prescription drug (Part D) plan, or if you're covered through your spouse's Medicare Advantage or Medicare Part D plan, you must decide which plan you wish to keep.

If you're currently enrolled in a Medicare Advantage PPO plan through the UAW Trust and you enroll in another Medicare Advantage plan or Medicare Part D plan, you'll be disenrolled from the Trust's Medicare Advantage plan.

To enroll in Medicare Plus Blue, call Retiree Health Care Connect: 1-866-637-7555
from 8:30 a.m. to 4:30 p.m. Eastern time Monday through Friday. TTY users, call 711.
