Ready to help

Our commitment includes coverage that works for you at every stage. Your benefits aren't just for when you're feeling sick or coping with a chronic condition. They can help you take charge of your health.

Maintaining your well-being

Your health is not just determined by your physical fitness, but by your overall well-being. Your physical health improves when you get enough sleep, eat healthy and exercise. Likewise, your emotional well-being improves when you manage your stress, have support through life's trials and have positive social interactions. We offer behavioral health care to help you transition through difficult times. We also offer help to those struggling with substance use disorder. Call us to discuss your needs and arrange for services. **1-800-431-1059** from 8 a.m. to 6 p.m. Eastern time Monday through Friday. TTY users, call **711**.

If you or someone you know is experiencing an immediate mental health crisis, call the Suicide and Crisis Lifeline at **988**.

Quit tobacco for good

Increase your chances of becoming tobacco free with the tobacco cessation coaching program offered by Personify™ Health. Make sure you're up to date on screenings

Ask your doctor if you need to schedule any of these regular services.

Preventive screenings			
Breast cancer screening	Colorectal cancer screening	Bone density screening for osteoporosis	Cholesterol
Annually	1 to 10 years depending on test	Every 2 years	Annually

Vaccines			
Flu shot	Pneumonia vaccine	Shingles	COVID-19
Annually	The number of shots per lifetime will depend on vaccine used and time between doses	2 doses	Talk to your doctor

Diabetic services (if applicable)			
A1c test	Diabetic retinal eye exam	Urine protein screening	Fasting plasma glucose test
2 to 4 times a year	Annually	Annually	Annually

Easy ways to get your flu and pneumonia vaccines

- Present your OptumRx pharmacy card to get vaccines at:
- Local pharmacy
 - Doctor's office (may be subject to office visit copay)

Good to know: The Centers for Disease Control and Prevention recommend getting your flu vaccine in October before the flu season begins because it takes about two weeks after vaccination for the antibodies that protect against the flu to develop in the body. Getting vaccinated later can still be beneficial and vaccinations are offered throughout flu season.

Know where to go for care

You have smart choices for when and where to get health care. Know your options so you can get the treatment you need, right when you need it. It's important to think about what kind of care best fits your needs.

Primary care provider

Call your doctor first when you're not feeling well. They know you best and understand your health history.

24-Hour Nurse Line

There is no cost when you call **1-855-624-5214**. TTY users, call **711**. This is a good option when you have questions about an illness or injury.

Virtual care visits

Virtual care is available through Teladoc Heath®, an independent company. It's as simple as using your smartphone, tablet or computer anywhere in the U.S. to meet with:

- A provider for minor illnesses such as a cold, flu or sore throat when your primary care provider isn't available
- A behavioral health professional or psychiatrist to help work through different challenges such as anxiety or grief

Visit bcbsm.com/virtualcare or call **1-800-835-2362**, 24 hours a day, seven days a week, 365 days a year. TTY users, call **1-855-636-1578**. Behavioral health services are available by appointment from 7 a.m. to 9 p.m. Eastern time, seven days a week.

Retail health clinics

Get quick, in-person evaluation and treatment for minor illnesses and injuries on a walk-in basis at select drug store chains. Copay may apply. Service covered in-network only.

Urgent care

Get non-emergency, in-person care conveniently, after hours or on weekends for conditions such as:

- Mild allergy symptoms
- Colds and flu
- Earache
- Skin rash
- Painful urination
- Sore throat and cough
- Low-grade fever
- Eye irritation or redness
- Minor burns, cuts and scrapes
- Sprains and strains

Copay applies. Service covered in-network only.

Emergency room

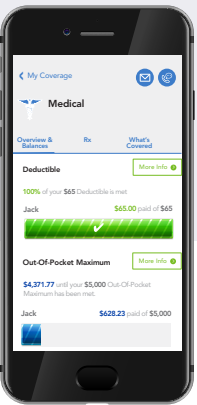

Visit for serious or life-threatening illnesses or injuries. Copay may apply. Copay waived if admitted.

Manage your costs with confidence

Your online member account will help you make informed, confident decisions about your health care costs and more.

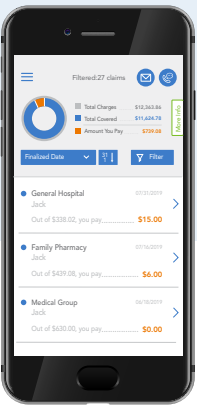

Keep track of your deductible and out-of-pocket maximum

Your deductible is how much you'll pay for care before we start to pay. Your out-of-pocket max is the most you'll pay before we cover the cost completely. You can see how close you are to meeting both.

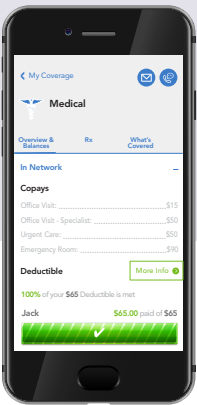

Review your claims and explanation of benefits

Claims and explanation of benefits statements show how much a provider charged for services, and what portion we've paid. They also tell you what services you've already paid for, and if your payment amount is correct.

Know your copays before you visit a provider

Easily access copayment information for commonly used services, including office visits and urgent care.

Blue365®

You can score big savings on a variety of healthy products and services from businesses in Michigan and across the U.S. All you need is your Blue Cross member ID card. View available discounts on fitness gear, vision care, travel, weight-loss programs, wellness products and healthy groceries in your area by logging in to your online member account at bcbsm.com or through our mobile app (search BCBSM in the app stores). Once logged in, select *Blue365® member discounts* under the *Health & Well-Being* tab.

You can also get great deals on gym memberships. Search for the *Fitness Your Way™ by Tivity Health™* deal under the *Fitness* tab.
