## **COVID-19 Testing**

## Member Reimbursement Form – Non-Medicare Advantage

Please use this form to request reimbursement for COVID-19 tests you have paid for out of your own pocket. Submit one form per member. To be eligible for reimbursement, your test **must be authorized by the Food and Drug Administration**, you must provide documentation of the amount you paid (like a receipt) and follow the guidelines below.

For at-home rapid diagnostic COVID-19 tests:

- If you purchased a fully self-administered FDA authorized test from a non-preferred pharmacy or other retailer, and you purchased the test prior to January 31, 2022, you can be reimbursed up to \$12 or the cost of the test, whichever is lower.
- If you purchased a fully self-administered FDA authorized test from January 31, 2022 through May 11,2023 then please use the Over-the-Counter Test Reimbursement Form found the Prescription drug claim forms sections.

For all health care provider administered tests:

- You must provide documentation that the test was performed by a health care provider.
- The test was medically appropriate as determined by a licensed or authorized provider.

Reimbursement will not be approved without all the documentation listed above. All fields below must be completed to enable processing of your request.
