Mail Service Saver and Saver90 Maintenance Drug List

The following maintenance drugs are part of our Mail Service Saver and Saver90 programs.

Mail Service Saver coverage:

- These medications will be covered only if filled through OptumRx® home delivery pharmacy

Saver90 coverage:

- These medications are covered only if filled at a select participating retail pharmacy or OptumRx home delivery pharmacy.

Maintenance drugs are taken on a regular basis to treat chronic conditions like high blood pressure, heart disease, asthma and diabetes.

This list does not include all available drugs. Your prescription drug plan may not cover all the drugs on this list and you may have to pay full price for your drug. Preventive drugs defined by the Affordable Care Act that are on this list have no out-of-pocket cost when you fill according to the Mail Service Saver and Saver90 program requirements. **This list is current as of April 2024** and is subject to change.
