When your primary care provider isn't available, you don't need an appointment to have a virtual visit with a U.S. board-certified doctor or nurse practitioner, 24/7 from anywhere in the U.S. It's convenient, affordable care you can trust – for everyone on your health care plan.

Also, behavioral health care is available by appointment.

Questions about your account? Call 1-844-606-1608.

Remember to follow up with your primary care provider. Your plan may have copayments, deductibles and out-of-pocket costs.
