

The maternity care you need is close – right here in the U.P.

Marshfield Medical Center-Dickinson maternity care in Iron Mountain is a Blue Distinction® Specialty Care center, which means it meets national levels of excellence in care and cost efficiency.

Health care providers at Blue Distinction centers have demonstrated an exceptional level of expertise in their specialty. They leverage the latest technology to help drive the best health outcomes. What's more, these providers are in your neighborhood – so they can relate to your unique health needs.

You can be confident the maternity care you receive matches the care you receive anywhere in the country.
