

**READY
TO HELP**

Have you considered health coverage in your retirement plan?

As you near retirement and leave your employer's insurance plan, you might have questions about your future health care coverage, such as:

- What are my options?
- What steps do I need to take to make sure my family members are covered?
- What if I'm not yet eligible for Medicare?

Blue Cross Blue Shield of Michigan can answer your questions and support your needs as you make exciting life changes. We're ready to help with the important information you need to be ready for what's ahead.

You can find tools to help you choose a plan or even compare benefits at [BlueMedicare4Me.com/folio](https://www.bluecrossblueshield.com/medicare4me/folio), a website created specifically for our Blue Cross and Blue Care Network members shifting into retirement. You'll also find the *Your journey to Medicare* insurance folio for retiring employees available for download.

Our goal is to put your health first as you transition from your current group coverage to an individual plan.
