PART:

Prepare. Protect. Prevent.

COVID-19 Vaccine: Know the facts before you go

We're committed to providing you with a safe and healthy workplace as the nation works to stop the spread of COVID-19 through a mass vaccination effort.

We understand you may have a lot of questions about getting the COVID-19 vaccine, and we're here to help get the answers you need.

Here are some resources from Blue Cross Blue Shield of Michigan and Blue Care Network to help:

- View this video series, "Get the Facts with Dr. Jim Grant." Grant, chief medical officer of Blue Cross, will answer common questions about the COVID-19 vaccine.
- Visit mibluesperspectives.com for the latest news about the COVID-19 vaccine, including
 the latest eligible groups, announcements on state orders and updates from government
 and health agencies.
- Visit bcbsm.com/coronavirus for useful information about what Blue Cross is doing to help keep its members safe and healthy during the pandemic.

It's going to take all of us to beat COVID-19.

*If you're already vaccinated for COVID-19, thank you for doing your part. Please continue to follow CDC guidelines.
