

# Maven Wallet

Starting and growing your family through adoption and surrogacy paths can be stressful. The cost can make it even harder. The Maven Wallet, which is part of the Family Building program, can help.

**You can request reimbursement through Maven for some adoption and surrogacy expenses.**

### Here's how it works:

1. Join Maven by scanning the **QR code**.
2. Submit valid expenses and receipts within the Maven app.
3. Maven will validate your expenses against your health plan design.
4. You'll be reimbursed by Maven by direct deposit.

**Scan to join Maven at no cost.**

Maven Wallet is an add-on feature to the Family Building program. Your employer sets the reimbursement amount. Access to the Maven Wallet ends when you reach the individual reimbursement maximum or if your employment ends.

Maven is an independent company supporting Blue Cross Blue Shield of Michigan and Blue Care Network by providing family building and women's health support services.
