PCP Focus is a local primary care provider HMO network serving 20 counties in Michigan.

Calhoun	Kalamazoo	Muskegon	St. Clair
Clinton	Kent	Oakland	Van Buren
Eaton	Livingston	Ottawa	Washtenaw
Genesee	Macomb	Saginaw	Wayne

All employees and eligible dependents must select their PCP from the PCP Focus network, regardless of the county in which they live.

The PCP Focus network offers you the flexibility to see any BCN specialist **with a referral from your PCP** — and gives you access to the leading BCN-contracted hospitals and facilities in Michigan. PCPs in the Focus network maintain the same high level of quality medical care you've come to expect.

And having a PCP Focus network doctor means your medical services are covered.

To check if your doctor is in the PCP Focus network, visit [bcbsm.com/find-a-doctor](https://bcbsm.com/find-a-doctor) and select *Log in to Find a Doctor*. Or, if you're currently not a Blue Care Network member, select *Search without logging in*. Then select *All Plans* in the top menu bar. Select *Find a different plan*. In the search box, type "Blue Care Network PCP Focus Network (HMO)" as the health plan.
