

Find the care you need at the right price

With your plan's network, you have plenty of options for care. But how do you decide where to go?

Use your member account.

Search doctors, facilities and procedures anytime, anywhere and get cost and quality information to choose what's best for you.

Log in to your account or use our mobile app to:

Pick doctors and facilities in your plan's network. Going out of your plan's network costs more. Choose doctors who accept your plan, and look up quality designations.

Learn where you can save money. See how prices can differ by health care provider, location or type of facility. Then talk with your doctor about where to go to pay less for medical services.

Plan for surgeries. Your account sums up the estimated cost* for each service involved with your procedure — from your first doctor visit to post-surgery treatment.

Find peace of mind with quality care. Knowing if a hospital has a quality designation for the specialty care you need can help you decide where to go. Learn more at bcbsm.com/hospital-quality.
