

# West Michigan region professional provider contact list (For providers not associated with a Medical Care Group)

Click on the map to see which counties are in this region:

Michigan providers who participate with Blue Cross Blue Shield of Michigan or Blue Care Network: Locate your provider type below to find your provider consultant.

To search, hold down the CTRL key and press the F key on your keyboard. Then enter the provider type and press the Enter key.

If your provider type is not included in the list below, your county determines your consultant. Look at the [Consultants by County table](#) to find who you should contact.

If you are a primary care physician associated with a medical care group, click the button to see the:
