

Blue Cross Blue Shield of Michigan and Blue Care Network **Provider Enrollment and Change Self-Service** **User Guide**

Updated December 2024

Dear Blue Cross Blue Shield of Michigan and Blue Care Network Provider:

Welcome to the Provider Enrollment and Change Self-Service online application. Now that you have signed up to use this tool within BCBSM's portal, you are on your way to experiencing more efficient and electronic submissions of your requests to update group information with BCBSM and BCN.

This Provider Enrollment and Change Self-Service User Guide has been created as a reference tool to assist new users in the application's basic functions and provide some suggestions to save time and avoid errors. Please take a moment to look at the Table of Contents and skim through the sections to get acquainted with the material.

Using our online self-service tool benefits you in the following ways:

- **Easy** — The self-service application is more streamlined and electronic, making it easy to keep your group records up to date.
- **Fast** — Your enrollment and change requests are processed faster, with some transactions completed within minutes.
- **Secure** — Your data remains secure since your practice group determines its users and access levels, and the application provides an audit trail for every transaction.
- **Accurate** — You control the data entered for enrollment and change requests. You can also check your group information and the status of your enrollment and change requests online anytime.
- **Green** — The need to print and fax forms is greatly reduced, which saves money and is environmentally friendly.

You can use the self-service tool for making most of your group demographic and group composition changes. There are still some transactions that require our enhanced paper forms. Please check inside this guide for more detailed information regarding these transactions.

If you have questions regarding the completion of a transaction that is not covered within this User Guide, please call the Provider Enrollment Help Desk at 1-800-822-2761 or contact your BCBSM or BCN provider representative.

Thank you for supporting our efforts to better streamline your enrollment and change requests for your group practice.

Sincerely,

A handwritten signature in black ink, appearing to read "Ferren Gibson".

Ferren Gibson, Manager

Section 1: Getting Started

What is Provider Enrollment and Change Self-Service?

Provider Enrollment and Change Self-Service is a safe, secure electronic online application within Blue Cross Blue Shield of Michigan's provider portal that makes it easier for groups to keep their information up to date for both BCBSM and Blue Care Network. It offers faster service with some transactions being completed in minutes. Each transaction creates an audit trail and provides user controlled demographic changes with the ability to check the status of your change requests online anytime with a few mouse clicks.

Self-service system requirements

Groups that choose to participate with self-service must have the ability to scan and attach required documents into the system. Some transactions require legal documents to be attached as part of the process, for example, adding a practitioner to a group or changing a tax identification number.

What transactions can be performed with self service?

You will be able to perform the majority of your requests using the self service process, including:

- Group location maintenance: Update your practice, remit and mailing addresses
- Networks and demographics: Update your name, tax information and network participation
- Terminate groups: Terminate groups and remove them from our active rosters
- Group practitioner management: Enroll new practitioners, add and remove practitioners from your groups

What transactions can NOT be performed with self service?

Some requests will continue to be submitted using the paper fax process. These transactions are typically more complex and require special internal processing, including:

- Enroll a new provider group or allied provider, such as ambulance, DME, lab
- Enroll a new individual practitioner with no group relationship
- Practitioner individual demographics and network changes – see Section 13 for more details on CAQH and paper-based practitioner transactions
- Change NPI
- Enroll or change a facility provider
- Most retroactive dated transactions
- Future dated transactions – *greater than 6 months*

To process the aforementioned transactions you must complete and fax enrollment and change forms located at www.bcbsm.com/provider/enrollment to BCBSM - Provider Enrollment at **1-866-900-0250**.

Retroactive dated transactions

Past dates may not be entered in self-service. However, certain transactions can accommodate retroactive effective dates through the use of the documents required to be attached to the transaction. New enrollments and group affiliations require attached documents.

New Enrollments: You can enroll a new participating practitioner with a retroactive date for the Traditional network only. Indicate the retroactive date in the signature section of the applicable Individual Signature document. Enter the current date in the self-service transaction. You can enter retroactive dates on the

attached documents up to six months from the date of the submission. For new physician assistants, a retroactive date can be requested on the *Physician Assistant Certification* form next to the supervising physician's signature. BCBSM/BCN do not allow retroactive dates for any other networks except Traditional.

Group Affiliations: Individual practitioners can be added to your group with a retroactive date by using the *Group Practice Agency Authorization* form and handwriting the start date for each individual next to his or her signature on the form. Enter the current date in the self-service online transaction. You can then enter retroactive dates on the *Group Practice Agency Authorization* form up to six months from the date of submission. If no date is indicated, the date entered through the self-service transaction will be used.

Getting started with self service

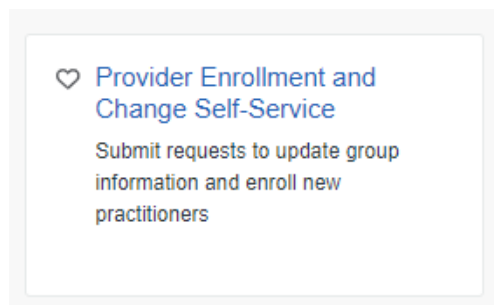

First – All users must have access to the BCBSM provider portal. First time users who do not have this access must register. Go to bcbsm.com/providers/help/web-tool-registration-updates.

Second – Once you have access to the provider portal, your portal administrator should follow the instructions in the document, "Grant access to Provider Enrollment and Change Self-Service" which is available at bcbsm.com/providers/help/web-tool-registration-updates."

Finding Provider Enrollment and Change Self-Service within the portal

Follow these steps once you have access to the provider portal and the Provider Enrollment and Change Self-Service tool:

1. Log in to our provider portal (availability.com).
2. Click Payer Spaces on the menu bar and then click the BCBSM and BCN logo.
3. Scroll down and click on Provider Enrollment and Change Self-Service.

*While Blue Cross Blue Shield of Michigan and Blue Care Network recommend this website and we're responsible for its Blue Cross and BCN-specific content, we don't own or control this website.

Availity® is an independent company that contracts with Blue Cross Blue Shield of Michigan and Blue Care Network to offer provider portal and electronic data interchange services.

1.0.2

[« Prev](#) [Next »](#) [Close](#)

Welcome page

This is the first page you will see after selecting *Provider Self-Service* from the portal menu. This page displays the active groups you may access and update based on your group administrator's approval. If you cannot locate a provider group and believe you should have access to update that group's records, you must request access to additional provider groups. Your authorized group administrator must complete an Addendum G form. This form can be located by clicking this link:

http://www.bcbsm.com/pdf/Addendum_G.pdf

- Click on any column heading to sort the table. Example: click on the Group Name column heading to sort the table alphabetically by group name.
- Only one group record may be selected per transaction.
- Click on the Multiple PINs link to display all active BCBSM PINs linked to the selected Type 2 NPI. The PINs are for internal use and cannot be used to bill either BCBSM or BCN.
 - Provider groups with practitioners of varying types and specialties are considered “multiple-specialty groups.” These groups will have one Type 2 NPI displayed as one record within the Provider Enrollment and Change Self Service Application, but will have multiple PINs.
 - The Multiple PINs pop-up details all provider IDs for each of the differing types and specialties. Example: Multiple Specialty Group may contain:
 - PIN 1111111 as Internal Medicine (M.D./D.O. practitioner);
 - PIN 3333333 as Nurse Practitioner;
 - PIN A444444 as Laboratory.
- Click the *Select* radio button next to your selected group record.

- Click *Next* to begin your self-service transactions.
- To log out of the application completely, click on the logout button in the upper left corner of the page.
- Continue using the existing paper-based process via the Provider Enrollment and Change website (<http://www.bcbsm.com/provider/enrollment/index.shtml#>) for the following scenarios:
 - Enroll a new provider group or allied provider (e.g. LAB, DME, etc.)
 - Enroll a new individual practitioner, independent of a provider group
 - Change an individual practitioner's information (not including maintaining their group relationships)
 - Change your NPI

Common navigation

The provider self-service application uses standard Microsoft Windows® functions and short cuts. For example, you can cut and paste text from other applications, print documents, etc.

Also, each page has common navigation elements. These actions are similar across all pages.

- Any table can be **sorted** by clicking on the heading of each column. Click on any column heading to sort the table. Example: click on the *Group Name* column heading to sort the table alphabetically by group name. Pagination is used when the table values returned exceeds ten records. Click on the page numbers to view the additional data.
- Click *Next* in the lower right corner to move to the next page.
- Click *Previous* to review the prior page.
- Click *Cancel* for the option to stop this transaction, delete all information added during this transaction and return to the Welcome page. All data entered will be lost. A pop-up screen will display with the following message: "Click *Ok* if you want to cancel this transaction and return to the Welcome page – all data entered will be lost. Click *Cancel* to continue with your self-service process."
- Click *Finish* to accept and submit changes. By clicking *Finish*, you are authorizing this change to be submitted and processed by BCBSM/BCN.

Help

Each page will display a *Help* link [[Help](#)]. The help panel will display a static text of key information about the transaction/page. After reviewing the help text, if you still need assistance call the Provider Enrollment and Data Management help line at 1-800-822-2761 and follow the prompts.

Page/panel reference

Each page has a panel reference ID in the lower left corner (see below). This page identifier should be noted if you have any issues with a particular transaction. When contacting PEDM, this page reference will assist the service representative in resolving your issue.

Enter the requested effective date for the primary address change: 09/26/2010

1.9.1

« Prev Next » Finish Cancel

Printing from provider self service

You can print at various stages of your transaction. Within each table, a PDF file can be generated by selecting the PDF icon []. From there, you can use standard Windows functions, such as Save and Print.

Calendar tool

When inputting dates, you have the option of keying the date (DD/MM/YYYY) or using a calendar tool. The calendar tool allows you to use a graphic calendar format to select the correct date.

Time limitations for completing transactions

The self-service application has timing limitations for online transaction activity as noted below.

- After 30 consecutive minutes of no keyboard activity the system will log out. Open work on a transaction will be lost. The time spent keying information without any finalized data submissions via the *Finish* button is also considered idle time and the system will log out if no submissions were made in a 30-minute timeframe.
- System logout automatically occurs four hours after initial login time even if you are in the middle of a transaction.
- There is no option to save your work in the middle of a transaction to finish it later. If the system goes down in the middle of your transaction, you will lose your work for that transaction.

Log out

To log out of the self-service application, use the *Log Out* icon in the upper left corner of the page.

Section 3: Common Pages in Self-Service Transactions

Section 3: Common Pages in Self-Service Transactions

There are several common pages that appear in most of the self-service transactions. Specific transactions are detailed later throughout the body of this user guide. To avoid redundancy in those transaction sections, the common pages are presented here for your reference.

Required documents

The *Required Documents* page will be presented only when your self-service transaction requires certain documents in order to complete your request. This page will list all the specific documents that are required. This page also allows you to browse and upload the needed attachments to your transaction.

Office hours

Certain transactions relating to practice locations require office hours to be identified for the practitioner or provider location. This page allows you to add office hours and identify services offered at a location.

eSignature

The *eSignature* page will be presented when your transactions require an electronic signature for one or more BCBSM/BCN group contracts. Each agreement requiring acceptance will be listed on this page. You will review each agreement separately and then check off the acceptance acknowledgement under each agreement. This is necessary for the process to continue. You will no longer submit paper-executed agreements for your group.

Preview page

All self-service transactions, except Inquiry, will display a *Preview* page upon completion of the transaction. This page will display a summary of the changes you input during your self-service transaction for your verification before final submission to BCBSM/BCN.

Confirmation page

All self-service transactions, except Inquiry, will provide a final *Confirmation* page after you have submitted your changes for processing. This page provides a Submission ID for tracking your request and the expected completion time for the particular transaction.

Examples of each of the common pages are found in the following pages of this section.

Enroll and Add Practitioners - Required Documents

Blue Cross Blue Shield Blue Care Network of Michigan

HENRY NPI: 7677686553 [Help](#)

Open the PDF below to review all documents potentially required for this transaction.

[Click here for the documents required to Enroll a New Practitioner and Add them to the Group](#)

Click Browse and then Upload to select and attach each applicable required file. It may take a few minutes to upload the file.

These files have been uploaded successfully. Click Remove if the file is no longer needed for this transaction.

☐ I have reviewed the PDF document above and have attached all required documents listed in the PDF applicable for this transaction. I understand processing time may be delayed if all applicable documents are not uploaded at this time.

1.4b

« Prev Next » Finish Cancel

Many self-service transactions require certain documents in order to complete the request. If your transaction requires documentation, a *Required Documents* page is presented with a list of the documents required and a check box for validation. You must have the ability to scan and attach the documents to complete the submission. Refer to the Required Documents Reference List prior to performing the functions in self-service.

The documents must be downloaded, printed, signed and scanned to your computer so you are ready to upload them during a self-service session. If you do not have scanning ability, you must use the paper-based Enrollment and Change forms found on the BCBSM Provider Enrollment web site at www.bcbsm.com/provider/enrollment.

The *Required Documents* page allows you to locate and attach files to satisfy the document requirements. After you attach the appropriate files, click each box to confirm the required document is attached.

- Click *Browse* to locate the required document on your personal computer and insert it on the page.
- Click *Upload* to upload the selected file as an attachment. You must select *Upload* or the document will not be included in the transaction.
NOTE: Do not attach documents in a zip file format. Zip files contain one or more files compressed to reduce file size.
- Click *Remove* if a document was uploaded in error.

Each attached file will be passed through our virus scan software to ensure only validated files are received and stored. You may receive a message to try again later in the event the virus scan software is not available.

[Add Location Services](#)

Office Hours

Office hours are required for at least one day. Do not enter lunch periods. Only the day's start and closing time should be entered.

- **Closed** – select *Closed* only if the office is closed for the entire day.
- **Open 24 Hours** – select if the office is open 24 hours a day.
- **Start Time** - available from 12:00 a.m. to 11:59 p.m. in 15-minute increments; time must be selected from the drop-down menu; you may not type in this field.
- **Closing Time** - available from 12:00 a.m. to 11:59 p.m. in 15-minute increments; time must be selected from the drop-down menu; you may not type in this field.
- **Apply to all unclosed days** - if office hours are the same every day, select a start time and closing time, then click *Apply to all unclosed days*. You may also use this function if either the start and stop times are the same. Once the panel enters the times, you may change any individual day's start or closing time.

Location Services:

This is an optional field that provides information to our members about the specific services available at this practice location. The list of services is a predefined list. Select appropriate services provided for this specific location. Multiple services may be entered.

- Click *Add Location Services* to create another row in the list of services.
- Click *Remove* to erase the newly added service before completing your submission.

eSignature

To reduce paperwork and improve processing efficiency, many documents are now eligible to be electronically accepted instead of providing the hard-copy paper verification. For legal compliance reasons, most documents for an individual practitioner transaction must still be manually signed, scanned and attached in order to capture the practitioner's physical signature.

Each agreement requiring electronic acceptance is listed on this page. Review each agreement separately and then check off the statement above the agreement acknowledging you have read and agree to all terms and conditions and attest that the information you submitted is true to the best of your knowledge. The process cannot continue until all presented agreements are accepted.

NOTE: Once the agreement is opened for viewing, it may also be printed for retention.

Common page – confirmation

Confirmation

This page confirms that your changes have been submitted for processing and provides the submission ID and expected completion time.

- The **submission ID** is a number used to track the self-service transaction. It displays on the *Menu and Status* page. The submission ID displays for tasks that are in process and will display for 30 days for completed tasks.
- The expected completion time displayed on the screen indicates approximately how long it will take for the transaction to be updated in the system. You may continue working on other tasks during this time. Please note the following about expected completion times:
 - Certain transactions may be completed within five minutes with an **additional 48 hours** to update claims and directory information. The additional 48 hours applies to all transactions.
 - Other transactions require BCBSM/BCN processing and may take 10-15 days to process the request.
 - PCP maintenance may take up to 45 days to process the request.
- Click *Close* to close this page and return to the *Welcome* page.

The browser status bar at the bottom shows "Done", "Trusted sites", and "100%".

This page allows you to select from a menu of transactions to update a group's information and to view the status of in-process requests, as well as requests completed within the last 30 days.

Select any menu item on the left column to begin your transaction. Any time you are on a page, you can select *Cancel* to return to this main menu.

Tips before you begin a self-service transaction

Some processes require documents to be attached as part of the transaction. You must be able to scan and attach documents to complete the submission.

This includes transactions related to individual practitioners and the need to have an attached practitioner signature. Examples include:

- Adding a practitioner to a group requires a *Group Agency Authorization Form* signed by each practitioner;
- Enrolling a new physician practitioner requires an attached individual network signature document;
- Enrolling a new certified nurse practitioner requires an attached nursing certification and individual network signature document;
- Changing a tax identification number requires the IRS documentation letter.

If you do not have scanning ability for certain transactions, you must continue to use the paper-based Enrollment and Change forms found via the *I am a Provider* tab on www.bcbsm.com.

Tips for entering data

- Use upper/lower case letters (normal typing style) when entering text in data fields.
- Data fields outlined in red are required data fields to continue and complete a transaction.

Menu selections

This panel displays a list of actions you may perform for the group.

- **Inquiry** – read-only view of the group's key information including demographics, networks, locations, and affiliated practitioner relationships
- **Change Remit and Mailing Address** – Change a group's remit and/or mailing address.
- **Add Practice Locations** – Add new practice locations.
- **Modify or Remove Practice Locations** – Remove practice locations and/or modify details of any existing locations, such as phone number, office hours and services.
- **Change Primary Location** – Select a new primary location for the group from the list of current practice locations.
- **Add or Remove Networks** – Request a change in participation status; end existing networks; request additional networks and participation status. This transaction is only for group level networks. Individual practitioners' network updates are performed via paper using the practitioner change forms.
- **Change ID and Tax Information** – Change the group's professional IDs including CLIA certification, DME/PTAN, Medicare number; view and make changes to the group's tax information, including tax ID number, tax name, tax exempt status, and TIN legal name.
- **Terminate Group** – End all operations for a group including their PINs, networks, locations and all affiliated practitioner relationships. Once processed, claims will no longer be paid for dates of service rendered after the termination date.
- **Add Blue Participating Practitioners** – Search for practitioners already enrolled with the Blues and add them to the group as a specialist or BCN primary care physician; select locations at which the practitioner will practice with the group. A practitioner must already be enrolled with BCBSM/BCN in order to be added to a group.
- **Remove Practitioners** – End a practitioner's affiliation with the group; enter "Member Move" information for any BCN PCPs that will be removed.

- **Move Practitioners** – Move practitioners from one group to another group; indicate at which locations of the new group the practitioner will practice; enter Member Move information for BCN PCPs, if applicable.
- **PCP Maintenance** – Request a change in the practitioner's status from specialist to BCN PCP or vice versa; enter Member Move and update Medical Care Group information, as required.
- **Modify Practitioner Locations** – Remove practitioners from specific practice locations; change a practitioner's primary location; change office hours of the practitioner.
- **Enroll and Add Practitioners** – Enroll a new practitioner and add him or her to the group. This menu item is enabled based on your portal authorization.

Status summary

This grid provides a status of your in-process requests submitted through both self service and paper. It also displays a history of requests completed within the last 30 days.

Self-service transactions have all columns populated. Requests sent by mail or fax have only the Task Name and Status populated in order to communicate that we have received the paper-based enrollment or change request.

- **Portal ID** – The unique user ID of the person who logged into self service and submitted the request.
- **Submission Number** – A unique tracking number for all requests submitted online. This number is first presented on the *Confirmation* panel displayed at the end of the self-service transaction. When contacting PEDM, the service representative will not be able to search for a transaction by submission number, but will be able to locate your task with other identifying information, such as NPI and transaction date.
- **Task Name** – a brief description of the request submitted. A complete list of all task names, both hardcopy form requests and self-service requests, is provided below.

Provider Self Service Transaction Tasks	Internal Transaction Tasks
eAdd Practitioner to Group	Portal ID PIN Maintenance
eRemove PCP from Group	ICT ID PIN Maintenance

- **View Details** – Displays a PDF document containing all the information entered during a self-service transaction.
- **Date Submitted** – Date the request was entered using the self-service application and sent to BCBSM/BCN for processing.
- **Status** – Identifies a task as in-progress or completed.

Task Status	Description
Complete	The primary request has been processed and is considered complete. Some transactions may be processed in multiple tasks. The original request may be marked as complete but additional tasks will be shown, such as “BCN REVIEW OF PCP TRANSACTION.” When all tasks are marked “Complete,” the entire submission is finalized.
Open	The task has been submitted and is awaiting assignment.
In Process Manually assigned Escalated	The task is currently assigned and in process.
Pending Waiting Prior Task Waiting Documentation Documentation Received	The task is currently assigned and is internally pended for follow up.
Ready for Loading Waiting Contracting Doc	The primary task was closed and a BCN contracting task is currently in process.

- **Go back to the Welcome page** – Allows the user to leave this group record and select another record from the Welcome page.

Multiple-step transactions

Some transactions may require that you complete more than one selection from the menu.

Need to change a group’s primary address to a new location?

Required documents: There are no required documents for this transaction.

1. Select *Add Practice Location* if the new location doesn’t already exist for the group.
2. Select *Change Primary Location* to make this new location primary for the group
3. Select *Change Remit and Mailing Address* if the new location should also be the Remit or Mailing address for the group.

Need to change a practitioner's locations for their group relationship?

Required documents: There are no required documents for this transaction.

1. Select *Add Practice Location* if the new location doesn't already exist for the group.
2. Select *Modify Practitioner Locations* to add a group location to the practitioner or change primary location for the practitioner at the group.

This page allows you to add new practice locations. Telephone numbers are considered part of an address. If the same physical location has multiple phone numbers, multiple practice locations will be necessary. The current practice locations are shown for reference.

Required documents: There are no required documents for this transaction.

- Locations with a Future Start Date represent addresses previously added, but not yet activated. Locations with a Future End Date represent addresses previously removed, but not yet inactivated.
- You may have only one primary location at one time. You may have multiple non-primary locations.
NOTE: This group may have multiple locations displayed with identical address information. Please end duplicate locations by selecting *Modify or Remove Practice Locations* from the *Menu & Status* page.
- Click *Add New Location* to add a new practice location. The new location is displayed at the bottom of the screen.
- Click *Edit* to correct a newly added location before completing your submission.
- Click *Remove* to delete the newly added location before completing your submission. This will erase all information entered for that location.

New locations details

This page allows you to enter specific address information for the new location.

- **Start Date** is the effective date for the location. This date may not be more than six (6) months in the future. Enter the Start Date directly as MM/DD/YYYY or use the calendar tool to select a start date.
- The only special characters allowed in an **Address** field are dash (–) and forward slash (/). All others are invalid (e.g. & % “ () @ # etc.). Do not use “.” when abbreviating.
- Practice addresses must be physical street addresses and cannot be names or PO boxes.
 - The street address is always entered on the **Address 1** field. Please follow standard postal abbreviations when entering street information (St., Rd., Ave., : N, S, E, W). See guidelines at: http://www.usps.com/ncsc/lookups/usps_abbreviations.html
 - Suite numbers, floor numbers/letters, etc are always entered on **Address 2**. When entering suite numbers, please follow standard postal abbreviations when entering information (e.g. Ste, Fl)
- **Zip, City, State (County)** data cannot be entered directly into this field. You must select the magnifying glass icon to search by zip code, or by state and city. Click on the drop-down of values to select the proper value, as multiple results may be returned.
- **Contact** information should be the name of a person we can reach during normal business hours if we have questions about this practice location.

- The only special character allowed in the *First Name*, *Middle Name* or *Last Name* field is dash (–). All others are invalid (e.g. & % “ / () @ # etc.). Do not use “commas” in any name field.
- The only special characters allowed in the *Email* field are the ‘at’ sign (@) an underline (_) and the period (.). All others are invalid (e.g. & % “ / () # etc.)

Change remit or mailing address

This page allows you to view and make changes to the group's current mailing and remit addresses.

- **Primary Address** is where the majority of your patients receive services.
 - If you need to change your primary address, you need to change that address first. Return to the *Menu and Status* screen and click on *Change Primary Location*.
- **Remit Address** is where vouchers and checks are mailed. If the tax identification number is also changing, it is suggested to perform the tax identification change before updating the remit address. From the *Menu and Status* page, select *Change ID and Tax Information*.
- **Mailing Address** is where correspondence may be mailed.
- Entering address information
 - Use the drop down arrow to match the primary, remit or mailing address or;
 - Enter a new address and leave the drop down blank.
 - The only special characters allowed in an *Address* field are dash (–) and forward slash (/). All others are invalid (e.g. & % “ () @ # etc.).
 - **Zip, City, State (County)** data cannot be entered directly into this field. You must select the magnifying glass icon to search by zip code or by state and city. Click on the drop-down of values to select the proper value, as multiple results may be returned.

- **Effective Date** is the date you are requesting the new address to begin. The Effective Date may not exceed six (6) months past the current date.
 - The Effective Date will default to the earliest date available. The date cannot be set earlier than the latest effective date entered. Enter the Effective Date directly as MM/DD/YYYY or use the calendar tool icon to select a start date.
- Click *Reset* to erase any changes entered during this session and revert to the original address.
- If you change your primary address in the future, it will not automatically update the mailing using the primary address. You will need to update the addresses using the *Change Remit and Mailing Address* menu selection on the *Menu and Status* screen.

Abbreviated address page

Portico™ WebLink - Microsoft Internet Explorer provided by Blue Cross Blue Shield of MI

Abbreviated Remit and Mailing Addresses

Blue Cross Blue Shield of Michigan

BBB PRACTITIONER GROUP NPI: 1000000269 Help

Address lines must be abbreviated to 22 characters to accommodate internal system needs. For cities outside of Michigan abbreviate to 13 characters. Red boxes indicate required information.

1.6.2

Abbreviated remit and mailing addresses

BCBSM/BCN maintains provider data in various formats. Addresses are held in both full and abbreviated versions. In order to ensure all mailings reach the proper location, this page allows the ability for the user to enter the proper limited address information.

This page appears when the address or city entered exceeds the character length requiring an abbreviated address. The *Abbreviated Address* fields will be pre-populated but truncated at the 22nd character.

- *Address Line 1* must be abbreviated (limited to) to 22 characters, but still be deliverable by the United States Postal Service. Both *Address Line 1* and *Address Line 2* may be used to contain the entire address information, limited to 22 characters each. Please reference the USPS standard postal abbreviations for addresses at http://www.usps.com/ncsc/lookups/usps_abbreviations.html.

- The only special characters allowed in an *Address* field are dash (–) and forward slash (/). All others are invalid (e.g. & % “ () @ # etc.).
- Michigan cities will default to an abbreviated (limited to) city value. No changes are needed.
- Cities outside of Michigan must be abbreviated (limited to) to 13 characters.

Finalize your transaction using the common navigation functions and common pages described at the beginning of this guide.

Update or modify an existing address

The screenshot shows the Portico WebLink interface in Microsoft Internet Explorer. The browser title is "Portico™ WebLink - Microsoft Internet Explorer provided by Blue Cross Blue Shield of MI". The user is logged in as "Henry" with NPI: 7677686553. The interface is divided into two main sections: "Menu" and "Status Summary".

Menu Section:

- Group Location Maintenance**
 - [Change Remit and Mailing Address](#)
 - [Add Practice Locations](#)
 - [Modify or Remove Practice Locations](#) (indicated by an arrow)
 - [Change Primary Location](#)
- Networks and Demographics**
 - [Add or Remove Networks](#)
 - [Change Group ID and Tax Information](#)

Status Summary Section:

Portal ID	Submission Number	Task Name	View Details	Date Submitted	Status
		Terminate Provider from all networks.			Open
		Terminate Provider from all networks.			Open

Select the *Modify or Remove Practice Locations* link to change the data in an existing practice location. This transaction should be used to perform any of the following:

- Correct a suite number or street number
- Correct a typographical error in the address
- Change the contact person
- Update a telephone or fax number
- Update the office hours for the location
- Add or remove services offered at the location
- Remove a location that is no longer used

Do not use this transaction to add a completely new location.

Group ID and Tax Information

Michigan Clinical Labs NPI: 1000000228 Help

Please enter the new Tax Information or Professional IDs

General Information

Group Name: Michigan Clinical Labs

Tax ID: 38-9999999

Tax Name: Michigan Clinical Labs Inc

Tax Exempt: ☐ Yes ☒ No

Effective Date of Change:

Existing and Required Professional IDs

The following IDs are currently active for the group. Also listed are other required IDs applicable for the Group's provider type. To correct an existing ID or add details to a required ID listed, click Modify.

Type	Number	State	Effective Date	End Date	Modify
CLIA	1234567890		09/21/2010		Modify

New Professional IDs

To add additional professional IDs, enter the information below. Click Remove if the ID listed below is no longer needed.

Group ID and tax information

This page displays the current tax ID and tax name for your group. It allows you to change your existing tax information or existing professional IDs. Additional new professional IDs may also be added, if required.

Required Documents: You must attach a copy of the documentation from the IRS identifying your new TIN and associated tax name. Scan this document to your computer so you will be ready to upload during this self-service session.

Important Note: When adding a new tax ID, you must change the tax ID for all groups individually. You cannot change a tax ID globally. Each group must be changed separately.

General information section

- **Group Name** – This field shows the information on file; you may modify your name in this field.
- **Tax ID** – This field shows the information on file; you may modify your tax ID in this field.
- **Tax Name** – This field shows the information on file; you may modify your tax name in this field.
- **Tax Exempt** – This field shows the information on file; you may modify your tax exempt status by selecting the *Yes* or *No* radio buttons.
- **Effective Date of change** – This field is enabled only if any of the data in the fields of the *General Information* section was changed. If enabled, enter the effective date of change as MM/DD/YYYY or use the calendar tool icon to select a start date. The start date may be between today's date and six months in the future. You may not retroactively change the group name or tax information using the self-service tools. If you would like a retro effective date (date in the past) for the tax ID change, please submit your request using the hardcopy Provider Change form located at www.bcbsm.com/provider/enrollment.

Existing & required professional IDs section

The IDs listed are currently active for the group. This section allows you to correct an existing ID or add details to a required ID listed for your group's provider type.

- **Modify** – Click *Modify* to correct an existing ID or to add details to a required ID listed. This button is only available for rows with existing information.
- **Number** – This field shows the information on file; you may modify your number in this field or add information to a blank field.
- **State** – This field shows the information on file; you may modify the information in this field or add information to a blank field using the drop-down arrow.
- **Effective Date** – This field shows the information on file; you may modify the date or add the date to a blank field. Enter the effective date as MM/DD/YYYY or use the calendar tool icon.
- **End Date** – This field shows the information on file; you may modify the date in this field or add the date to a blank field. Enter the end date as MM/DD/YYYY or use the calendar tool icon.

New professional IDs section

You may enter additional professional IDs in this section.

- **Type** – Click the drop-down arrow to select the professional ID type to add.
- **Number** – Enter the professional ID number in this field.
- **State** – Click the drop-down arrow to select the state for this professional ID.
- **Effective Date** – Enter the effective date as MM/DD/YYYY or use the calendar tool icon.

- **End Date** – Enter the end date as MM/DD/YYYY or use the calendar tool icon.
- **Remove** – Click *Remove* to delete the entire row from the table.
- **Add another Professional ID** – click the *Add another Professional ID* button to add a blank row to the table to enter another professional ID.

Warning message

The screenshot shows a web browser window titled "Portico™ WebLink - Microsoft Internet Explorer provided by Blue Cross Blue Shield of MI". The page is for "Group ID and Tax Information" for "Michigan Clinical Labs" with NPI: 100000228. A yellow warning box at the top contains two messages: "WARNING: Changing the Tax ID will generate a new BCBSM PIN (115)" and "WARNING: Changing the Tax Name and/or indicators here will change them for all records using this Tax ID (116)". Below the warning is a banner for the Blue Cross Blue Shield Blue Care Network of Michigan. The main form area is titled "Please enter the new Tax Information or Professional IDs" and has a "General Information" section. The form fields are: Group Name (Michigan Clinical Labs), Tax ID (38-7777999), Tax Name (Michigan Progressive Clinical Labs Inc), Tax Exempt (radio buttons for Yes and No, with No selected), and Effective Date of Change (09/28/2010 with a calendar icon).

When changing your tax ID, a new BCBSM PIN will be generated. This warning message will appear to remind you that this transaction will generate a new BCBSM/BCN PIN.

The message also reminds you that when changing the existing tax information, the information will be updated on all records sharing the same tax ID.

Finalize your transaction using the common navigation functions and common pages described at the beginning of this guide.

Select Networks for the Group

Henry NPI: 7677686553 [Help](#)

These are the networks that are currently active for the group. Use the drop down to change the participating status and the date field to end a network

Networks	Current Participating Status	Requested Participating Status	In Process	Requested End Date	Reason
BCN Commercial (36)	N/A	<input type="text"/>	No	<input type="text"/>	<input type="text"/>
Traditional (10)	Par	<input type="text"/>	No	<input type="text"/>	<input type="text"/>

The group is eligible for the following networks. Select the networks you are requesting for the group. Enter the effective and end dates for the Networks along with the Participating status, if applicable.

select	Networks	Requested Participating Status	Requested Effective Date
<input checked="" type="checkbox"/>	BCN Advantage (Medicare) (36)	PAR	09/25/2010
<input type="checkbox"/>	Blue Preferred Plus (BPP) (46)	PAR	
<input type="checkbox"/>	Medicare Plus Blue PPO (61)	PAR	

1.11.1

Select networks for the group

This page allows you to view the networks that are currently active for your group and their participation status. It also identifies if there are any networks “In-Process” for your group. You may request an end date for an existing active network or request a new network for your group. If you are terminating all networks, return to the *Menu and Status* page and click on *Terminate Group*.

You will be presented with the applicable networks for which the group is eligible. Typically, professional groups are *only* allowed to apply for the Traditional, Vision/Hearing networks. Ancillary groups may be eligible for additional BCN or MAPPO networks. There are existing exceptions to this rule and your group should already be aware if an exception applies.

Individual practitioners are typically contracted directly for the PPO TRUST, BCN and MAPPO networks. For changes to individual practitioners' network status, you must submit a hardcopy Practitioner Change form found at www.bcbsm.com/provider/

The upper portion of this page displays the group's current networks and participation status and allows you to change or end a network and Par status. The lower portion of the page allows you to select new networks. The following transactions can be processed from this page:

- Changing an existing PAR status for the group only
- Ending an existing network
- Adding a PAR status for BCBSM Traditional or Vision/Hearing
- Adding a new network

If you are requesting to change to nonparticipating for any network, your request will be held for 60 days from receipt of your request to accommodate contractual requirements for prior notification.

Currently Active Networks

- **Requested Participation Status** – Click the drop-down arrow to change the participating status.
- **Requested End Date** – Enter the requested end date as MM/DD/YYYY or use the calendar tool icon. The end date must be between today's date and six months in the future. You may not retroactively end your network participation status.
- **Reason** – If you entered a requested end date, use free-form text to enter the reason you are ending your network participation.

Request for New Network Participation

- **Select** – Click the *Select* box for the networks you are eligible for and that you are requesting to be participating for your group.
- **Requested Participation Status** – Click the drop-down arrow to change the participating status.
- **Requested Effective Date** – Enter the requested effective date as MM/DD/YYYY or use the calendar tool icon. The effective date must be between today's date and six months in the future. You may not retroactively add your network participation status.

Finalize your transaction using the common navigation functions and common pages described at the beginning of this guide.

Blue Cross Blue Shield Blue Care Network of Michigan

Henry NPI: 7677686553

Instructions:

Enter Practitioner's full Michigan license number:

Enter the requested effective date for the Practitioner's enrollment:

1.4.1

« Prev Next » Finish Cancel

Done Trusted sites 100%

Use this page to enroll a new practitioner to Blue Cross Blue Shield of Michigan and add the practitioner to an existing group for which you have administrative authority. If you are adding a practitioner to the group and requesting an effective date in the past, please refer to Section 1 of this guide for instructions regarding retroactive dates.

Required Documents: Refer to the Required Document Reference List prior to performing this function in self service. Download, print, obtain required signatures and scan to your computer so you will be ready to upload during this self-service session.

To proceed:

- You must be able to scan and attach all completed required documents.
- You must finish your transaction within 30 minutes. At this time, there is no option to save your data if your session is longer than 30 minutes.

Before you begin, make sure you have the following information available:

- Practitioner's NPI
- State of Michigan professional license number, start date and expiration date
- Please enter the practitioner's name exactly as it appears on the professional license
- Social security number
- Date of birth
- Specialty and board status
- CAQH # - If the practitioner has an existing CAQH ID
- Primary practice location
- Remit and mailing addresses
- Office hours
- If applying as a PCP, BCN MCG affiliation
- Applicable signature documents for any network participation request
- Signed *Group Practice Agency Authorization* form if group is participating

The practitioner must sign and complete signature documents for any networks for which the practitioner is applying. These signature documents can be found at <http://www.bcbsm.com/provider/enrollment/index.shtml>. You will need to scan and attach a copy of each completed signature document in order to complete the request.

If you are trying to add a practitioner to a group and they are already enrolled with the Blues, return to the *Menu and Status* page and select the *Add Blue Participating Practitioners* menu item.

To proceed with your enrollment,

- Enter the practitioner's full Michigan license # using the practitioner's State of Michigan 10 digit professional license number (example: 4301999999). The license # must be entered as an exact search; partial searches will not be processed. If the practitioner is already enrolled, you will get an error message advising that the practitioner is already enrolled with the Blues. To add the practitioner to a group, you must use the *Add Blue Participating Practitioner* transaction.
- Enter the requested effective date for the practitioner's enrollment as MM/DD/YYYY or use the calendar icon. The start date must be between the current date and six months in the future. You cannot enter a date prior to the current date using the self-service tools. You must use the paper Provider Change form to perform retroactive changes at <http://www.bcbsm.com/provider/enrollment/index.shtml>.

NOTE: The requested effective date is the date the practitioner will begin seeing Blues traditional members. Managed care networks and Blue Care Network determine their enrollment date once credentialing and contracting processes are complete.

Demographics and specialty

The screenshot shows a web browser window titled "Portico™ WebLink - Microsoft Internet Explorer provided by Blue Cross Blue Shield of MI". The page displays a form for entering practitioner information. At the top, it shows "HENRY NPI: 7677686553" and a "Help" link. The form is divided into two main sections: "Practitioner Demographic Data" and "Practitioner Tax Information".

Practitioner Demographic Data:

- Salutation: Dr. (dropdown menu)
- First Name: Rose (text field)
- Middle Name: (empty text field)
- Last Name: Gardner (text field)
- Suffix: (empty dropdown menu)
- Date of Birth: 10/01/1969 (text field with calendar icon)
- Gender: Female (dropdown menu)
- Do you practice exclusively in the hospital setting? (radio buttons: Yes, No)
- If Yes, please select: (empty dropdown menu)

Practitioner Tax Information:

- SSN: 333-88-1111 (text field)
- Is the EIN same as the SSN? (radio buttons: Yes, No)
- Personal EIN: 333-88-1111 (text field)
- Note: Do not enter a provider group's Tax ID
- Tax Name: Rose Gardner MD (text field)
- Tax Exempt: (radio buttons: Yes, No)

Provider Type and Specialty:

- Provider Type: Medical Doctor (dropdown menu)

The bottom of the browser window shows the status bar with "Done", "Trusted sites", and "100%" zoom.

This page allows you to enter demographic and specialty information for the new practitioner.

Practitioner demographic data

- Salutation – optional field; may select from drop down menu.
- First Name – required field; enter the practitioner's name as it appears on the State of Michigan professional license; maximum 25 characters.
- Middle Name – optional field; maximum 25 characters.
- Last Name – required field; enter the practitioner's name as it appears on the State of Michigan professional license; maximum 25 characters.
- Suffix – optional field; may select from drop down menu.
- Date of Birth – required field; enter date as MM/DD/YYYY or use the calendar tool icon.
- Gender – select from drop down menu.
- Do you practice exclusively in the hospital setting? –; if user selects the Yes radio button, select the type of hospital setting from the drop down menu.

Practitioner tax information

- SSN – required field.
- Is the EIN the same as the SSN? – required field
 - Yes - the SSN will copy to the *Personal EIN* field and the name information will auto-populate to the *Tax Name* field.
 - No – the *Personal EIN* field will be enabled for entry.
- Personal EIN – required field.
 - If the practitioner is planning to bill using his or her Type 1 NPI and individual PIN, enter the EIN to which payments will be directed.
 - If the practitioner will only bill through the group relationship, enter his or her SSN. Go back and check the *EIN Same As SSN* field.
 - If the practitioner is an incorporated individual with a unique Type 2 NPI, he or she must register as a new group using the *New Group Enrollment* and *New Practitioner Enrollment* forms online at www.bcbsm.com/provider/enrollment.
- Tax Name – required field; maximum length 55 characters; may be auto-populated if previously indicated that the EIN is the same as the SSN.
- Tax Exempt – required field

Warning: If an EIN is entered as the Tax ID for this practitioner, proof of the Tax ID and Tax name from the IRS must be attached prior to completing this transaction.

1.4.2

Provider Type and Specialty

- Provider Type – required field; this field may be auto-populated if a match is found based on state license number entered; or select from the drop down menu.
- Degree – required field; select from the drop down menu; select “other” if drop down menu selections do not apply.
- Specify, if other – required if “other” is selected in the *Degree* field. Enter type of degree; maximum length 25 characters.
- Primary – select the radio button for the row that is your primary specialty; you can only designate one specialty as primary.
- Specialty – required field; select the specialty from the drop down menu. If there is only one specialty for the provider type being enrolled, that specialty will be presented in this field and cannot be changed.

- Board Status – select from the drop down menu.
- Remove – select this button to remove the row from the table and delete information about the specialty stored in this session.
- Add another Specialty – select this button to add a new row to the specialty table.

1.4.3

The **Professional IDs** page allows you to enter all professional IDs for the practitioner and identify all professional services provided by the practitioner.

Practitioner Name and MI State License number will pre-populate from the previous panel.

Professional IDs

Based on the provider type and specialty you entered on the previous page, some information in the professional ID rows may auto-populate.

- Type
 - License – enter the applicable information about your license in this row.
 - NPI - enter the Type 1 NPI for the practitioner.
 - CAQH – if the practitioner has an existing CAQH ID, enter it in this row.

NOTE: In order for any managed care affiliation request to be processed, the practitioner must complete the CAQH application within 14 calendar days of initial enrollment. If the practitioner has an existing CAQH ID, the attestation must be current. If the CAQH application is not complete or the

attestation is expired after 14 calendar days, the request for affiliation to managed care networks will be closed.

- State – select from drop down menu.
- Effective Date – enter date as MM/DD/YYYY or use the calendar tool icon.
- Expiration Date – enter date as MM/DD/YYYY or use the calendar tool icon.
- Remove – select this button to remove the row from the table and delete information about the professional ID stored in the session.
- Add another ID # - select this button to add a new row to enter another professional ID.

Professional Services

- Show Mental Health Services – if you are enrolling a psychiatrist, fully licensed psychologist, licensed master's social worker or clinical nurse specialist, check this box to display services unique to mental health providers.
- Professional Services – select the professional services provided by this practitioner.
- Remove – select this button to remove the row from the table and delete information about the professional services stored in the session.
- Add professional services - select this button to add a new row to enter another professional service.

Practice locations

There are two pages that are used to capture practice locations.

This page displays all practice locations for the group and allows you to select specific practice locations where the practitioner provides services under the group. You may see duplicate addresses but the phone numbers may be unique.

- Click the *Select* checkbox for all locations where the practitioner is providing services for the group. Make sure the address and phone numbers are correct, since some addresses may be the same but have different phone numbers.
- Click the *Primary* button for the practitioner's primary location for the group. Only one Primary may be selected.
- Click any column heading to sort the table by information in that column, i.e. click on the *Address 1* column heading to sort the table numerically based on the practice location address.

Addresses

Addresses

Blue Cross Blue Shield Blue Care Network of Michigan

HENRY NPI: 7677686553 [Help](#)

Practitioner Name	MI State License
Rose Gardner	4301777711

Primary Address

☐ Same as the Practitioner's Primary at the group [Clear](#)

Address Line1:

Address Line2:

Zip, City, State (County):

Phone:

Fax:

This page allows you to enter the primary practice information for the individual. This is the primary practice location that will be entered on the CAQH application. Enter the primary address for the individual practice location. If the practitioner's primary address is the same as his or her practicing address at the group, then click the check box labeled *Same as the Practitioner's primary at the group*.

- The only special characters allowed in an *Address* field are dash (–) and forward slash (/). All others are invalid (e.g. & % “ () @ # etc.). Do not use “.” when abbreviating.
- Practice addresses must be physical street addresses and cannot be names or P.O. boxes.
 - The street address is always entered in the *Address 1* field. Please follow standard postal abbreviations when entering street information (St., Rd., Ave., : N, S, E, W). See guidelines at: http://www.usps.com/ncsc/lookups/usps_abbreviations.html
 - Suite numbers, floor numbers/letters, etc are always entered in the *Address 2* field. When entering suite numbers, please follow standard postal abbreviations when entering information (e.g. Ste, Fl)
- **Zip, City, State (County)** data cannot be entered directly into this field. You must select the magnifying glass icon to search by zip code, or by state and city. Click on the drop-down of values to select the proper value, as multiple results may be returned.

- Enter telephone number. The telephone number is a required field and the fax number is optional.

Remit address

Remit address is where vouchers and checks are mailed when the practitioner is billing under his own tax ID. This is NOT the remit address for when the practitioner is billing under the group. Although the two addresses may be identical, you must enter the data here.

Mailing address

Mailing Address is where correspondence is mailed to the individual practitioner.

- Use the drop down arrow for the remit or mailing address to match another address or;
- Enter a new remit or mailing address and leave the drop down blank.
- The only special characters allowed in an *Address* field are dash (–) and forward slash (/). All others are invalid (e.g. & % “ () @ # etc.).

Office hours

Select the Enter Office Hours button to enter office hours for this practitioner's location. When multiple locations are displayed, you will have to enter office hours for each individual location.

A green check mark indicates that office hours have been entered and you may proceed to the next panel by clicking *Next*.

Refer to Section 3 for details on entering office hours.

Enroll and add practitioners – preview

This page displays a summary of the details entered for the practitioner and group relationship for your verification before you submit the information to BCBSM/BCN for processing. Do not begin submitting claims until you have received written confirmation of participation from BCBSM and/or BCN.

A confirmation letter will be mailed to the practitioner's mailing address once enrollment is completed.

The participating start date for BCBSM Traditional networks is determined by the date on the signed individual signature document or the requested effective date, whichever is later. If you enrolled the practitioner as nonparticipating, the start date will be the requested effective date.

- The start date for all managed care programs, including BCBSM TRUST, BCBSM MAPPO and BCN networks are determined once credentialing is completed. A letter will be sent following credentialing.

Finalize your transaction using the common navigation functions and common pages described at the beginning of this guide.

Required Documents: Refer to the [Required Document Checklist](#) prior to performing this function in self service. Download, print, obtain required signatures and scan to your computer so you will be ready to upload during this self-service session.

Before you begin, make sure you have the following information available:

- Practitioner's Type 1 National Provider Identification number or their 10-digit State of Michigan professional license number.
- Primary (and any additional locations) location start date where the practitioner will be seeing patients.
- **Note:** If you are requesting a start date prior to today's date, please refer to Section 1 for instructions on retroactive affiliation dates.
- Office hours for each location.
- If you are adding a new BCN PCP, you will need to know the BCN Medical Care Group (MCG) Affiliation.

If the practitioner is not yet enrolled in a BCBSM or BCN program, return to the *Menu and Status* page and select *Enroll and Add Practitioners*. All practice locations must already be active for this group before adding a new practitioner. If the practitioner is working at a practice location that is not active for the Group, return to the *Menu and Status* page and select *Add Practice Location* before you process this transaction.

- Before proceeding, search on the Practitioners table to ensure that the practitioner is not already active in the Group. Click any column heading to sort the table by information in that column, i.e. click on the *Practitioner Name* column heading to sort the table alphabetically based on the practitioner's last name.
- The *PCP* column identifies if the practitioner is a BCN PCP (Primary Care Physician), although not necessarily a PCP at this particular group.
- The *Future Start Date* column contains a date only if the practitioner was added to the group with an effective date greater than today. This column communicates future activity yet to take place.
- The *Future End Date* column contains a date only if the practitioner was removed from the group with an end date greater than today. This column communicates future activity yet to take place.

Click *Add New Practitioner* to add a practitioner already enrolled with the Blues to your group. After you complete this process, the new practitioner will be displayed at the bottom of the screen. Information about the new Practitioner's Start Dates and Primary Address will be displayed on the final *Preview* page.

- Click *Modify* to correct newly added information.
- Click *Remove* to remove the row from the table and delete all data you have entered to add this practitioner to the group.

< Prev Next > Finish Cancel

This page may be used to search and select a practitioner already enrolled with the Blues. You can use a Michigan State License number or the individual's Type 1 NPI to locate the practitioner record. If the practitioner is not yet enrolled in a BCBSM or BCN program, return to the *Menu and Status* page and select *Enroll and Add Practitioners*.

- **State License #** must be entered as an exact search using the practitioner's State of Michigan 10 digit professional license number (example: 4301999999).
- **Type 1 NPI** must be entered as an exact search using the practitioner's 10 digit Type 1 NPI (example: 1234512345).
- Data may be entered in both search fields; however, only data in one field is required to locate the practitioner.
- Click *Search* to locate the practitioner record.
- Click *Clear Search* to remove any search criteria displayed.

The search results will display any practitioner located using the search criteria you entered. Click the radio button next to the practitioner's name and select *Next*.

The *Practice Locations* page displays all active practice locations for the group and allows you to select specific practice locations where the practitioner provides services. You may see duplicate addresses but the phone numbers may be unique.

- Click the *Select* checkbox for all locations where the practitioner is providing services for the group. Make sure the address and phone number are correct, since some addresses may be the same but have different phone numbers.
- Click the *Primary* button for the practitioner's primary location for the group. Only one Primary may be selected.
- Click any column heading to sort the table by information in that column, i.e. click on the *Address 1* column heading to sort the table numerically based on the practice location address.

The screenshot shows a web browser window titled "Portico™ WebLink - Microsoft Internet Explorer provided by Blue Cross Blue Shield of MI". The page has a "Logout" link in the top right. Below the browser title bar is a yellow banner with the text "Office Hours" and navigation icons. Underneath is a header section with the Blue Cross Blue Shield of Michigan logo and a photo of a doctor and a child. Below the header is a yellow bar with the text "AAA Physician Group NPI: 1000000178" and a "Help" link. The main content area contains the instruction "Please enter office hours for each Practitioners's locations using the button". Below this is a table with four columns: "Primary", "Location", "Enter Office Hours", and "Completed".

Primary	Location	Enter Office Hours	Completed
Yes	100 Oak Dr Ste 100 Southfield, MI, 48034 (Oakland)	Enter Office Hours	✓
No	200 Elm St Warren, MI, 48088 (Macomb)	Enter Office Hours	ⓘ

Below the table is the number "1.1.5". At the bottom of the page are four buttons: "< Prev", "Next >", "Finish", and "Cancel".

This page allows you to enter the practitioner's office hours for each location. See Section 3 for office hour entry instructions.

Locations for which office hours are completed will be designated with a green check mark.

This page allows you to choose which practitioners will be terminated from the group. If the existing practitioner is a PCP, you will also reassign their patients to another PCP.

- Enter the End Date directly as MM/DD/YYYY or use the calendar tool icon. The End Date may be between today's date and six months in the future. You may not retroactively terminate a practitioner from this group using the self-service tools.
- Click *Remove* to terminate a practitioner from an existing group.

If the practitioner is a PCP for this group, the *Member Move Information* page allows you to transfer the PCP's patients to another practitioner. See Section 12 for the Member Move instructions.

After entering an End Date and clicking on the *Remove* button, the bottom of the grid will display the practitioners to be removed.

Finalize your transaction using the common navigation functions and common pages described at the beginning of this guide.

Move practitioners between groups

Menu and status page

Select the *Move Practitioners* link to move a practitioner from one group to another group. Use this page to move an existing practitioner from this specific group to another group for which you have administrative authority. This transaction will **end** the practitioner's relationship with the current group.

Before you begin, make sure you have the following information available:

- If the existing practitioner you will be moving is a BCN PCP, you will need the information for the BCN PCP to which the members will be transferred. You will need the Type 1 NPI of the practitioner receiving the moved members. The *Type 1 NPI* field must be entered as an exact search using the PCPs 10 digit Type 1 NPI; no partial or wildcard search is available. If you do not know the NPI of the new PCP, please contact a BCN regional provider servicing representative:

East Region	1-800-527-1906
Mid Region	1-877-258-0168
Southeast Region	1-866-299-4667
West Region	1-800-968-2583, ext. 6158

1.3.1

[Previous](#) [Next](#) [Finish](#) [Cancel](#)

The table displays all practitioners that are currently active under the group.

Participating Groups: If you are moving existing practitioners to another *participating* group (Participating applies only to BCBSM Traditional and BCBSM Vision/Hearing programs), you will need each practitioner who is being added to the new group to sign the applicable *Group Practice Agency Authorization Form*. You will need to scan and attach these documents in order to complete this transaction.

The following link will direct you to the *Group Practice Agency Authorization Form* for moving existing M.D., D.O., D.C., D.P.M., D.M.D./D.D.S. (board certified oral surgeon only) and fully-licensed psychologists: http://www.bcbsm.com/pdf/physician_group_agency_authorization.pdf

If you are moving existing provider types *other than* M.D., D.O., D.C., D.P.M., D.M.D./D.D.S. (board certified oral surgeon only) or fully-licensed psychologists to your group, go online to BCBSM Provider Enrollment and Changes at <http://www.bcbsm.com/provider/enrollment/index.shtml> and:

1. Select *Physicians and Professionals*; then click *Next*.
2. Select *Change an existing provider*; then click *Next*.
3. Select *Professional Group Practice*; then click *Next*.
4. Select the additional existing provider types you are moving in order to locate the appropriate group practice agency authorization form on the *Professional Group Practice forms and documents* page.

NOTE: On the *Professional Group Practice forms and documents* page, depending on the provider type, you may need to complete the *Group Practice Agency Authorization and Acknowledgment* form in addition to another authorization and acknowledgment form found under the **BCBSM agreements and signature documents** section specific to the provider type.

Nonparticipating Groups: If you are a nonparticipating group and are moving existing practitioner(s) to another nonparticipating group, no documents are required to complete this transaction.

Move Practitioner Information

Blue Cross Blue Shield Blue Care Network of Michigan

BBB Practitioner Group NPI: 1000000269 Help

Placeholder for instruction if the user does not find the group they want to move the practitioner to

Select the Group from the drop down to which the Practitioner is moving: AAA Physician Group (1000000178)

Requested effective date for Practitioner's new affiliation: 09/25/2010

Is the Practitioner a BCN PCP in the new group? ☐ Yes ☒ No

If a PCP, select the Practitioner's MCG Affiliation:

Select the Practice Locations for this practitioner. Choose one address as Practitioner's Primary location. Note - Click on table header to sort.

	Address 1	Address 2	Zip, City, State (County)	Phone Number	Primary
<input type="checkbox"/>	100 Oak Dr	Ste 100	48034 Southfield, MI, (Oakland)	(248) 888-8888	<input type="radio"/>
<input type="checkbox"/>	200 Elm St		48088 Warren, MI, (Macomb)	(586) 999-9999	<input type="radio"/>
<input checked="" type="checkbox"/>	47601 Grand River Ave	Ste B223	48374 Novi, MI, (Oakland)	(248) 111-1111	<input checked="" type="radio"/>

1.3.2

This page allows the user to select the new group to which the practitioner is moving, along with the effective date and the locations in the new group at which the practitioner will practice.

A practitioner can only be a PCP with one group affiliation. If this practitioner is a PCP in another group, BCN will make the final determination if the request can be completed.

- **Select the group from the drop down to which the practitioner is moving** – select the drop down menu to select the group to which you want to move the practitioner. The drop down menu displays all active groups (in alphabetical order) for which you have administrative access to update.
- **Requested effective date for practitioner's new affiliation** – enter the start date for the practitioner's affiliation to this group as MM/DD/YYYY or use the calendar tool icon. The start date may be between today's date and six months in the future in this self-service transaction. Please refer to Section 1 for instructions on retroactive affiliation dates.
- **Is the practitioner a BCN PCP in the new group?** – select the Yes radio button if the practitioner is requesting to be a PCP in the new group.
- **If a PCP, select the practitioner's MCG affiliation** – select the drop down list to select the MCG Affiliation for the practitioner. The MCGs are listed numerically by the MCG number. The *Medical Care Group Endorsement Guidelines* are available at http://www.bcbsm.com/pdf/bcn_par_mcg_endorsement.pdf.
- Select the checkbox next to the practice locations where the practitioner sees patients. All locations that are currently active for the new group are displayed. You cannot add or modify locations from this panel. If the location is not shown, select *Cancel* to return to the *Menu and Status* page and select *Add Practice Locations*. Once the location has been added, you can return to this transaction.
- Select the *Primary* radio button for the practitioner's primary location. Only one location can be identified as primary. You must select at least one primary location.
- Enter office hours for the practitioner at the new locations.

[« Prev](#) [Next »](#) [Finish](#) [Cancel](#)

This page displays the practitioners who have been moved to a new group at the bottom of the screen.

Continue your transaction through the common pages for Preview, Web Portal Self-Service and eSignature acceptance.

Section 12: Blue Care Network Primary Care Physician Maintenance

Section 12: Blue Care Network Primary Care Physician Maintenance

This self-service option can be used to perform the following transactions for BCN networks:

- Change a practitioner's status from a Specialist to a PCP
- Change a practitioner's status from a PCP to a Specialist and transfer members to another PCP
- Change an existing PCP's Medical Care Group.

A Primary Care Physician is a practitioner whose specialty is one of the following: family practice, general practice, geriatric medicine/family practice, geriatric medicine/internal medicine, internal medicine, internal medicine pediatrics, nephrology, pediatric nephrology or pediatrics. Only these specialties qualify for PCP status.

A Medical Care Group (MCG) is an incorporated group of physicians that contract with BCN to provide health services to BCN members. An MCG consists of PCPs and Specialists that have contractual or employment relationships with the MCG. All PCPs must be affiliated with and endorsed by an MCG. The endorsement contract is called an Acknowledgment. PCPs can also have individual Physician Agreements. The *Medical Care Group Endorsement Guidelines* are available at http://www.bcbsm.com/pdf/bcn_par_mcg_endorsement.pdf.

Specialists are contracted with BCN under several types of acknowledgments or group contracts. They may have contracts with MCG groups which identify pricing or risk arrangements.

Required documents: Refer to the *Required Document Checklist* prior to performing this function in self service. Download, print, obtain required signatures and scan to your computer so you will be ready to upload during this self-service session.

Changing the status of a practitioner from a specialist to a PCP

From the *Menu & Status* page, scroll down until the Group Practitioner Management section is displayed and select *PCP Maintenance*.

A list of active practitioners will be displayed.

Click *Modify* next to the practitioner you are changing from a Specialist to a PCP.

The screenshot shows a web browser window titled "Portico™ WebLink - Microsoft Internet Explorer provided by Blue Cross Blue Shield of MI". The page has a header with the Blue Cross Blue Shield of Michigan logo and a banner image of a doctor and a child. Below the banner, the page title is "Change PCP Status and MCG Affiliation". The page displays the "AAA Physician Group" with NPI: 1000000178. A message states: "All the Group's current active Networks will be applied for this Practitioner. If you wish to add additional networks for this practitioner, please use the 'Add or Remove Networks' menu option and add that network to the group." Below this, there is a question: "Is this Practitioner a PCP in the group?" with radio buttons for "Yes" (selected) and "No". Underneath, it says "Select the Practitioner's MCG Affiliation" and shows a drop-down list with the following options: "IH10 DMC Primary Care Phys Pc", "IH10 DMC Primary Care Phys Pc", "IH11 Oakland Physician Network Svcs", "IH12 United Oakwood Providers", "IH13 Providence Phys Med Grp", "IH14 St John Mcmb Riverwv PHO", "IH15 Macomb St Clair PPG PC", and "IH16 Oakwood Primary Care PC". At the bottom right, there are buttons for "« Prev", "Next »", "Finish", and "Cancel".

Change the PCP indicator from *No* to *Yes*.

Click on the drop-down list to select the MCG affiliation for the practitioner. MCGs are listed numerically by the MCG number. The MCG list is available at http://www.bcbsm.com/pdf/bcn_par_mcg_endorsement.pdf.

Once you have finished attaching documents, complete the transaction through the common pages and click *Finish*.

Changing the status of a practitioner from a PCP to a specialist and transferring members to another PCP

Be sure to have the NPIs for the practitioners to which you will be transferring members. You will receive an error and your transaction will fail if you try to transfer members to practitioners who are not registered BCN PCPs.

From the *Menu & Status* page, scroll down until the *Group Practitioner Management* section is displayed and select *PCP Maintenance*.

A list of active practitioners will be displayed.

Click *Modify* next to the practitioner you are changing from a PCP to a Specialist.

Click *Modify* to select the practitioner and change the PCP indicator from Yes to No. You will be presented with the *Member Move* page. Click in the applicable radio buttons for how you would like to transfer members. You have three options for transferring members:

- Option 1: **Transfer to multiple PCPs**. When choosing transfer members to multiple PCPs, select one of the following distribution methods from the drop-down list
- Option 2: **Transfer to one PCP**
- Option 3: **Retain members** with this PCP but at a different group relationship. This option is used when the PCP is changing the group at which he or she is a PCP. The PCP status is terminating from this group relationship and will be re-established at a new group relationship.

1.5.3

< Prev Next > Finish Cancel

When transferring to multiple PCPs, you have three options for distributing members to the new PCPs:

- **Age Range:** Select this option if you are transferring members based on their ages. This is a free-form text field. Examples of age range text are:
- **Pediatric specialties:** patient age range should be <19 or 21 years based upon practitioner acceptance status.
- **Internal Medicine specialties:** patient age range should be >14.
- **Family Practice/Internal Medicine Pediatric specialties:** patient age has no limitations.
- **Geriatric specialties:** patient age range should be >50.
- **Percentage:** Select this option if you are transferring membership based on a percent distribution. This is a free-form text field. Distribution of members moved must equal 100 percent.
- **Gender:** Select this option if you are transferring members based on male/female criteria. This is a free-form text field; enter Male or Female.

For Transfer Options 1 & 2, type the NPI of the practitioner to which you are transferring members and click *Add*.

Continue the process of adding NPIs, if applicable, then finalize your transaction using the common navigation functions and common pages described at the beginning of this guide.

Changing the managed care group affiliation for an existing PCP

From the *Menu & Status* page, scroll down until the **Group Practitioner Management** section is displayed and select *PCP Maintenance*.

A list of active practitioners will be displayed.

Click *Modify* next to the practitioner for which you are changing MCG affiliation.

The screenshot shows a web browser window titled "Portico™ WebLink - Microsoft Internet Explorer provided by Blue Cross Blue Shield of MI". The page has a "Logout" link in the top left. The main heading is "Change PCP Status and MCG Affiliation". Below this is a banner with the Blue Cross Blue Shield of Michigan logo and a photo of a doctor and a child. The page displays "AAA Physician Group" and "NPI: 1000000178" with a "Help" link. A message states: "All the Group's current active Networks will be applied for this Practitioner. If you wish to add additional networks for this practitioner, please use the 'Add or Remove Networks' menu option and add that network to the group." Below this is a question "Is this Practitioner a PCP in the group?" with radio buttons for "Yes" (selected) and "No". Underneath is the label "Select the Practitioner's MCG Affiliation" followed by a drop-down menu. The menu is open, showing a list of MCG affiliations: IH62 Integrated Hlth Ptnr PHO, IH65 Carson Health Network, IH66 Advantage Hlth Phys PC, IH68 Holland PHO, IH69 Metro Health, IH70 Physician Management Prt, IH71 West Michigan Physicians, IH74 Spectrum Hlth PC Partner, and IH76 Physicians Patients BC. At the bottom right are four buttons: "« Prev", "Next »", "Finish", and "Cancel".

Select the practitioner's MCG affiliation: click on the drop-down list to select the MCG affiliation for the practitioner. MCGs are listed numerically by the MCG number. The MCG list is available at http://www.bcbsm.com/pdf/bcn_par_mcg_endorsement.pdf.

Use the *Next* and *Finish* buttons to view the summary screen and complete the transaction.

Section 13: Resources

Section 13: Resources

Common Terms

The following are common terms used throughout the Provider Enrollment and Change Self-Service application.

- **Practitioners** are individuals who provide health care services. They obtain Type 1 national provider identifiers.
- **Providers** may be either a group of health care practitioners (for example, a clinic) or building based services (such as, lab and durable medical equipment suppliers). They obtain Type 2 NPIs.
- **Practice locations** are all physical street addresses where health care services are rendered. Providers may have multiple practice locations. Practice locations appear in member directories.
- **Location services** is a list of services used in Blue Cross Blue Shield of Michigan and Blue Care Network provider directories for members to identify specific services available at a location (for example, MRI, CT scan, allergy testing).
- **Secured services portal** is the web-based platform used by providers to securely log into Blues applications.
- **Primary address** is the physical location designated as the main location for the provider and the practitioner practicing under the provider. The provider may have a different primary address than that of its affiliated practitioners.
- **Practitioner/provider relationship (PPR)** is the affiliation between a practitioner and a provider group.

CAQH

BCBSM and BCN require practitioners to register with The Council for Affordable and Quality Healthcare and complete the Universal Provider Datasource credentialing application. This single database provides information to numerous health plans and eliminates the need for practitioners to complete multiple applications. The Blues receive the initial enrollment data and ongoing changes directly from CAQH for updating our provider systems.

The data elements that the Blues take from CAQH are:

- | | |
|--------------------------|--------------------------------------|
| • Practitioner name | • Specialties and board status |
| • Birth date | • Office contact information |
| • Social Security number | • Primary practice address and phone |
| • Provider type | • Practice location accessibility |
| • Gender | • Office hours |
| • Professional license | • Hospital affiliation |

Nonprofit corporations and independent licensees
