

## Pharmacy Update

Blue Cross Complete is a member of Michigan Managed Care Common Formulary Workgroup. Establishing the MCO Common Formulary will be an ongoing process throughout 2016. Formulary completion is planned for April 1, 2016 with the Health Plans implementing on or before July 1, 2016. The formulary changes listed in the table below were reviewed and approved by the Amerihealth Caritas Enterprise Pharmacy and Therapeutics Committee and are compliant with the requirements established by the State of Michigan and the Common Formulary Workgroup.

**Please Note:** Changes established by the Common Formulary Workgroup may not be posted immediately. Please allow time for documents to be updated and posted. New information will be posted as soon as possible.

| Medication Name  | Preferred Drug List Update*                                   | Limit*                 | Effective Date |
|--|---|------------------------|----------------|
