How to request prior authorization for State of Michigan enrollees

New Directions Behavioral Health will manage behavioral health and substance use disorder benefits on behalf of Blue Cross Blue Shield of Michigan for State of Michigan enrollees (group number 007000562), effective Oct. 1, 2019.

These benefits were previously managed by Magellan Health. This change affects services provided on or after Oct. 1, 2019. Read more in the September 2019 issue of The Record.

Online visits available to MPSERS members with Medicare Plus Blue starting in January

Beginning Jan. 1, 2020, our Medicare Plus BlueSM PPO plan will offer Blue Cross Online VisitsSM to Michigan Public School Employee Retirement System group members. Members who use this benefit can virtually connect with a physician, therapist or other health care provider using a smartphone, tablet, computer with a web camera or video conferencing device. We’re using updated utilization management criteria for behavioral health

On Aug. 1, 2019, Medicare Plus BlueSM PPO, BCN HMO℠ and BCN Advantage℠ plans began using the 2019 InterQual® criteria for behavioral health utilization management determinations. In addition, certain types of determinations are now based on modifications to InterQual criteria or on local rules or medical policies.

Encourage follow-up care for mental health, substance use disorder after a patient visits ER

In the United States, 18% of adults and 13% to 20% of children experience mental illness, according to the National Committee for Quality Assurance.

Follow-up care for mental health issues is crucial. It helps to:
- Decrease repeat visits to the emergency room.
- Improve physical and mental function.
- Increase compliance with follow-up instructions.

Board-certified behavior analysts will need to be licensed to be eligible for reimbursement
Starting Jan. 7, 2020, board-certified behavior analysts practicing in Michigan must be licensed by the State of Michigan to be eligible for reimbursement from Blue Cross and BCN. Board-certified behavior analysts who aren’t licensed aren’t eligible for reimbursement for services provided on or after Jan. 7, 2020.

For more information, see Page 23 of the September–October 2019 BCN Provider News or the September 2019 issue of The Record.

Concurrent billing is allowed for some ABA procedure codes for commercial members
Board-certified behavior analysts can bill for services provided to the same client by two providers at the same time for the following applied behavior analysis procedure codes. This was effective Sept. 1, 2019:

- *97153 and *97155
- *97154 and *97155

This applies to Blue Cross’ PPO (commercial) and BCN HMOSM (commercial) members.

For more information, see Page 21 of the November–December 2019 BCN Provider News or the November 2019 issue of The Record.

Reminder: Blue Cross and BCN now accepting applied behavior analysis claims with 2019 procedure codes
Blue Cross and BCN began accepting claims for behavior analysis services billed with the following codes, for dates of service on or after June 1, 2019: *97151, *97152, *97153, *97154, *97155, *97156, *97157, *97158, *0362T and *0373T.

Claims billed with the following codes will still be honored: H0031, H0032, H2019, H2014, S5108 and S5111.

Changes to reimbursement policy for board-certified behavior analysts take place Jan. 1
Effective Jan. 1, 2020, the following two reimbursement policy changes affecting board-certified behavior analysts will occur.

1. Regarding Blue Cross Blue Shield of Michigan’s Board Certified Behavior Analyst Participation Agreement, Addendum C (Reimbursement Methodology), the payment policy will change to reflect that “BCBSM will pay the lesser of the billed charge or 80% of the published maximum payment.”

2. Approved amounts for adaptive behavior assessment and treatment codes will also change Jan. 1, 2020. Revised amounts are available for viewing on web-DENIS.
