

SECOND AMENDMENT TO THE BCBSM VACCINE AFFILIATION AGREEMENT

This Second Amendment is entered into by Blue Care Network of Michigan, Blue Care of Michigan, Inc., and BCN Service Co. (collectively, "BCN") and the Pharmacy identified on the Signature Document to the Agreement. It is effective as of April 8, 2020.

WHEREAS, the parties previously entered into the Blue Cross Blue Shield of Michigan Vaccine Affiliation Agreement ("Agreement");

WHEREAS, the Agreement was subsequently amended so that the terms of the Agreement apply with equal force to the Pharmacy and BCN in the same manner as they do for Pharmacy and Blue Cross Blue Shield of Michigan ("BCBSM"), subject to certain exceptions as expressly set out in the First Amendment;

NOW THEREFORE, the Agreement is hereby amended for a second time as follows:

1. Section 1.5 is deleted and replaced with:

"Covered Services" – means those health care services which are (i) identified as payable in Certificates, (ii) medically necessary as defined in such Certificates, (iii) performed by a licensed pharmacist, and (iv) included in the "Medical Immunization Pharmacy Providers Payable Vaccines" Fee Schedule ("Fee Schedule"), as updated from time to time. For purposes of this Amendment, Covered Services are adult immunizations and certain other testing as described in the Fee Schedule.
