

# 2023 CPT and HCPCS Update

## Coverage decisions for new codes and list of deleted codes

This document lists new and deleted Current Procedural Terminology, or CPT, codes and Healthcare Common Procedural Coding System, or HCPCS, codes.

For the new codes, this document lets you know if Blue Cross Blue Shield of Michigan covers them. It also lists the codes that were deleted as of Dec. 31, 2022.

The 2022 codes in this document are to be used for dates of service on or after Jan. 1, 2023.

The document is divided into two sections:

- Level I codes, commonly referred to as CPT codes
- Level II codes, commonly referred to as HCPCS codes.

For detailed descriptions of Blue Cross' policies for the codes in this document:

1. Log in to *Availity*<sup>®</sup>.
2. Click on *Payer Spaces* and then on the BCBSM/BCN icon.
3. Scroll down and click on *HCPCS Payment Rules Lookup*.

Confidence comes with every card.<sup>®</sup>

## Level I codes (CPT codes)

| Code*                              | Change | Coverage comments      |
|------------------------------------|--------|------------------------|
| <b>Immunization administration</b> |        |                        |
| 0104A                              | A      | Not covered            |
| <b>Pathology and laboratory</b>    |        |                        |
| 0355U                              | A      | Not covered            |
| 0356U                              | A      | Not covered            |
| 0357U                              | A      | Not covered            |
| 0358U                              | A      | Not covered            |
| 0359U                              | A      | Not covered            |
| 0360U                              | A      | Not covered            |
| 0361U                              | A      | Not covered            |
| 0362U                              | A      | Not covered            |
| 0363U                              | A      | Not covered            |
| 81418                              | A      | Covered                |
| 81441                              | A      | Covered                |
| 81449                              | A      | Not covered            |
| 81451                              | A      | Not covered            |
| 81456                              | A      | Not covered            |
| 84433                              | A      | Requires manual review |
| 87467                              | A      | Covered                |
| 87468                              | A      | Covered                |
| 87469                              | A      | Covered                |
| 87478                              | A      | Covered                |
| 87484                              | A      | Covered                |
| <b>Surgery</b>                     |        |                        |
| 15778                              | A      | Covered                |
| 15853                              | A      | Covered                |
