

## Medicare Supplement plans across the country

### How to read the chart:

If a check mark appears in a column of this chart, the supplement policy covers 100% of the described benefit. If a row lists a percentage, the policy covers that percentage of the described benefit. If row is blank, the policy doesn't cover that benefit. Note: The supplement policy covers coinsurance only after you've paid the deductible unless the supplement policy also covers the deductible.

\*There are also two high-deductible plans, HD-F and HD-G. If you are eligible for either plan and decide to enroll, this means you must pay for Medicare-covered costs up to the deductible amount of \$2,340 for 2020 before your supplement plan pays anything.

\*\*After you meet your out-of-pocket yearly limit and your yearly Part B deductible, the supplement plan pays 100% of covered services for the rest of the calendar year.

\*\*\*Plan N pays 100% of the Part B coinsurance, except for a copay of up to \$20 for some office visits and up to a \$50 copay for emergency room visits that don't result in an Inpatient admission.
