Section 1: Information About Your Certificate of Coverage

This section provides answers to general questions you may have about the HKD program. Topics include:

- **ELIGIBILITY**
 - Who Is Eligible to Receive Benefits
- **DISENROLLMENT**
 - How to Voluntarily Disenroll
- **TERM AND TERMINATION**
 - Contract Term
 - Termination for Cause
 - Cessation of Operations

ELIGIBILITY

The Healthy Kids Dental (HKD) benefit program provides dental coverage for individuals 0 through 20 years of age and is funded under both Title XIX (Medicaid) and Title XXI (Children's Health Insurance Program) of the Social Security Act. The Michigan Department of Health and Human Services (MDHHS) has the sole authority to determine whether individuals meet statutory eligibility requirements and will determine eligibility for enrollment in the HKD benefit program. MDHHS will determine Beneficiary eligibility annually. In all cases, final determination of HKD program eligibility is made by MDHHS.

DISENROLLMENT

If an Enrollee wishes to disenroll, he/she must follow the procedures set forth by MDHHS. Disenrollment information is available upon request from the BCBSM Dental Customer Service department.

All rights to benefits stop on the effective date of disenrollment, without prejudice to claims for services rendered prior to the effective date of disenrollment. If the Enrollee is in the middle of an authorized dental treatment plan, BCBSM will cover the balance of treatment if it is completed within 60 days of the date of disenrollment. The disenrollment date is determined by MDHHS.

TERM AND TERMINATION

Contract Term

This Certificate shall continue in effect from the effective date as long as the Enrollee is eligible according to MDHHS and as long as BCBSM is contracted with the State of Michigan as a Contractor for the HKD program.

Termination for Cause

BCBSM may request special disenrollment of an Enrollee from our plan if the Enrollee's actions are inconsistent with BCBSM's policies. Such requests would be submitted to MDHHS and the department would determine if the request should be approved. Disenrollment for an approved request will be effective on the date determined by MDHHS.

Special disenrollment requests may be made in cases of violent/life-threatening situations involving physical acts of violence; physical or verbal threats of violence made against BCBSM-affiliated providers, BCBSM staff or the staff of affiliated agents or subcontractors, or the public at BCBSM locations; or where stalking situations exist.

Special disenrollments will occur only to the extent consistent with the rules and regulations of MDHHS.

On or after the effective date of termination for cause, premium payments received on behalf of such terminated Enrollee for periods following the termination date shall be refunded to MDHHS. BCBSM shall however, make reasonable attempts to transfer care of Enrollees terminated from the plan to other providers.

Cessation of Operations

In the event of cessation of operations or dissolution of BCBSM, this Certificate may be terminated immediately by order of proper authority. BCBSM may be obligated for services as prescribed by law or proper order.

We will not pay for any services, treatment, care or supplies provided:

Section 3: Dental Services Not Covered

Network providers are permitted to charge you for services delivered beyond what the HKD program covers if you are informed of the additional charges and agree to pay for the services that go beyond what is covered before receiving them.

Exclusions (continued)

Experimental or Investigational Services

We do not pay for a service, procedure, treatment, device or supply that has not been scientifically demonstrated to be safe and effective for treatment of the Enrollee's condition. BCBSM decides if something is experimental based on one or more of the following:

- Information from the American Dental Association and other appropriate professional organizations
- Information from the Food and Drug Administration and other government agencies
- Accepted national standards of practice in the dental profession
- Scientific data such as controlled studies in peer review journals or literature
- Information from the Blue Cross and Blue Shield Association or other local or national bodies

Personal Costs

We will not pay for:

- Care, services, supplies or devices that are personal or convenience items
- Charges to complete claim forms

Unlicensed and Unauthorized Provider

We do not pay for services provided by persons who are not:

- Appropriately credentialed or privileged (as determined by BCBSM), or
- Legally authorized or licensed to order to provide such services.

Section 4: How Dental Benefits Are Paid

Choosing A Dentist

Covered services must be received from dental providers who participate in the HKD network with Blue Cross Blue Shield of Michigan (BCBSM).

You should always ask whether your dentist participates in the HKD network with BCBSM before receiving services.

Authorizing Benefits

The dentist may, but is not required to, submit his or her treatment plan to us for authorization before providing certain complex or expensive services. We will review the plan before the services are performed and let you and your dentist know whether the planned services will be covered.

Authorization is **not** a guarantee of payment. Our payment for authorized services is based on the benefits that are available on the date the services are provided and on the other requirements, terms and conditions of this Certificate.

An approved authorization is valid for 12 months. If the services have not been completed within that time, you or the dentist can ask for a new authorization.

Filing Claims

Your dentist must file a claim for benefits in the required form within 12 months of the date services were completed. The dentist must certify that services were provided as billed.

For some procedures, we require documentation such as:

- X-rays
- Models of the teeth and jaw or
- A written explanation as to why the procedures were needed.

Paying for Services

We pay for covered dental services performed inside and outside the state of Michigan by a dentist that participates in the BCBSM HKD network. Below is a description of how we pay for covered services:

- **In-Network Dentists:**

In-network dentists agree to accept our approved amount as payment in full for covered services. In-network dentists will not bill you for covered services.

Paying for Services (continued)

- **Out-of-Network Dentists:**

BCBSM will provide adequate and timely access to out-of-network providers and cover medically necessary services for Enrollees in instances when the BCBSM HKD network is unable to provide those services to the Enrollee in compliance with accessibility and timeliness standards of this Certificate of Coverage.

BCBSM will cover out-of-network emergency services for Enrollees.

BCBSM will coordinate with out-of-network providers with respect to payment and follow all applicable MDHHS policies to ensure the Enrollee is not liable for costs as required in the Medicaid Provider Manual and our contract with the State of Michigan.

BCBSM will authorize and reimburse out-of-network providers for medically necessary covered dental services if such services could not reasonably be obtained from a network provider on a timely basis, within MDHHS' appointment access and time and distance standards of this Certificate, inside or outside the state of Michigan.

If BCBSM cannot provide non-emergency covered services by a network provider within the service authorization and access requirements of this Certificate of Coverage, covered services will be considered authorized if BCBSM does not respond to a request for authorization within 24 hours of the expired time frame of the original service authorization request. This provision applies to out-of-network providers inside and outside the state of Michigan.

BCBSM will comply with all related Medicaid policies regarding authorization and reimbursement for out-of-network providers. BCBSM will pay out-of-network Medicaid providers' claims at established Medicaid fees in effect on the date of service. If MDHHS has not established a specific rate for the covered service, BCBSM will follow Medicaid policy to determine the correct payment amount.

Understanding Our Payment - Your Explanation of Benefits

After your claim is processed, we may send you an Explanation of Benefits (EOB) that provides the following information:

- The names of the dentist and the Enrollee;
- A description of each service submitted on that claim;
- The dates these services were provided; and
- The amounts the dentist charged for them and the amounts we allowed and paid for them

If we denied payment for any of the services that were submitted, your EOB will explain why the services were denied.

Please call Dental Customer Service if you have questions regarding payments shown on your EOB.

Section 5: General Conditions of Your Certificate of Coverage

This section explains the conditions that apply to your Certificate. They may make a difference in how, where and when benefits are available to you.

Assignment

Benefits covered under this Certificate are for the Enrollee's use only. They cannot be transferred or assigned.

We will not pay a provider except under the terms of this Certificate.

Coordination of Benefits

We coordinate the benefits payable under this Certificate per Michigan's Coordination of Benefits Act and as required by state and federal Medicaid law. If you have any other insurance coverage that includes dental benefits, please call our Dental Customer Service line and let us know.

Dentist of Choice

You may continue to receive services from the dentist of your choice in the BCBSM HKD network.

Genetic Testing

We will not:

- Request or require genetic testing of anyone covered under this Certificate of Coverage
- Collect genetic information from anyone covered under this Certificate at any time for underwriting purposes
- Limit coverage based on genetic information related to the Enrollee or family members.

Improper Use of Contract

If you let an ineligible person receive benefits (or try to receive benefits) under this Certificate of Coverage, we may:

- Refuse to pay benefits
- Ask that MDHHS terminate or cancel your coverage
- Ask that MDHHS allow BCBSM to begin legal action against you
- Refuse to cover your dental care services at a later date

Enrollee Grievance and Appeals Program

BCBSM has set up a mechanism for receiving, processing, and resolving Enrollee grievances and appeals relating to the benefits or operation of the HKD program. This is fully described in our HKD Enrollee Handbook, which Enrollees receive when they enroll with BCBSM. Additional copies are also available upon request by calling the Dental Customer Service number: 1-800-936-0935 (TTY: 711).

Complaints and grievances are instances when you are not happy with the service you are getting or you feel the Enrollee has not been treated well. You can tell us about a grievance in writing or verbally at:

Blue Cross Blue Shield of Michigan
Grievance & Appeals Department
PO Box 491
Milwaukee, WI 53201-0491

Dental Customer Service: 1-800-936-0935 (TTY: 711)
Fax: 262-834-3452

There is a time limit on filing an appeal related to a payment decision or our denial of coverage for a requested service. An appeal must be filed within 60 days of the problem or denial and is generally addressed within 30 days after it is received. Contact the Dental Customer Service number for a form to do this or to ask questions about the process.

If there is an urgent need to review a denial of coverage for a requested service, this should be explained on the appeal form and your request will be reviewed within 72 hours. An urgent situation is one in which, in the opinion of your dentist, the Enrollee's health may be in serious jeopardy or the Enrollee is experiencing pain that cannot be adequately controlled while waiting for a decision on the appeal. If you believe your situation is urgent, you may request an urgent review or a simultaneous expedited external review.

If the appeal decision is not acceptable, a Medicaid Fair Hearing request can be submitted. The process for doing this will be explained if you receive a denial following BCBSM's review of your appeal.

Release of Information

You agree to let providers release information to us. This can include dental records and claims information related to services the Enrollee may receive or has received.

We agree to keep this information confidential. Consistent with our Notice of Privacy Practices, this information will be used and disclosed only as authorized by law.

Right To Interpret Contract

During claims processing and internal grievances, BCBSM reserves the right to interpret and administer the terms of this Certificate of Coverage. BCBSM's final adverse decisions regarding claims processing and grievances may be appealed under applicable law.

Waiver by Agents

No agent or person, except an authorized officer of BCBSM, can waive any conditions or restrictions of this Certificate. No agent or person can bind BCBSM by making a promise or representation, or by giving or receiving any information. No change in this Certificate is valid unless amended in writing and signed by an authorized officer.

What Laws Apply

This Certificate will be interpreted under the laws of the State of Michigan and federal law where applicable.

Other Party Liability

BCBSM does not pay claims or coordinate benefits for services which are not provided or authorized by a BCBSM HKD Dentist and which are not benefits under this Certificate of Coverage, except as otherwise stated in this Certificate.

General Provision

BCBSM will provide each of its HKD Enrollees with full benefits to the limit of this Certificate of Coverage. However, an Enrollee may not receive duplicate benefits, or benefits greater than the actual expenses incurred or BCBSM's fee schedule amount, whichever is less. Duplicate coverage does not extend BCBSM benefits beyond the limits of this Certificate. The Enrollee shall execute and deliver such instruments and take action as BCBSM may require to implement the provisions of this section. The Enrollee shall do nothing to prejudice the rights given BCBSM by this provision without its prior written consent. Benefits are not provided under this Certificate if any expenses to or on behalf of an Enrollee are paid or payable under the provisions of any other insurance, service benefit or reimbursement plan, including: Medicare, Worker's Compensation, Employer's Liability Law, or No-Fault Automobile Insurance.

Coordination of Benefits

If a BCBSM HKD Enrollee is injured in a car accident and needs care, BCBSM requires a statement noting the type of medical coverage carried on the applicable automobile insurance. BCBSM will follow the coordination of benefits guidelines of MDHHS. All dental bills must first be submitted to the primary insurance carrier. BCBSM will generally be the payer of last resort.

Subrogation: When Others Are Responsible for Illness or Injury

If the Enrollee has a right of recovery from a person or organization for any benefits or supplies covered under this Certificate of Coverage (except from an Enrollee's health insurance coverage, subject to the coordination of benefits provisions), the Enrollee, as a condition to receiving benefits under this Certificate, will either:

- Pay BCBSM all sums recovered by suit, settlement, or otherwise, to the extent of benefits provided by BCBSM and in an amount equal to the BCBSM payment for those benefits, but not in excess of monetary damages collected; or
- Authorize BCBSM to be subrogated to the Enrollee's rights of recovery, to the extent only of the benefits provided including the right to bring suit in the Enrollee's name at the sole cost and expense of BCBSM. In the event a suit instituted by BCBSM on behalf of the Enrollee results in monetary damages awarded in excess of the cash value of actual benefits provided by BCBSM, BCBSM shall have the right to recover costs of suit and attorney fees out of the excess, to the extent of the cost of such fees.

Right of Payment and Recovery

If BCBSM has provided benefits under this Certificate of Coverage but another plan should pay, BCBSM has the right to deny payment or seek the reasonable cash value of each service from the other plan.

Right to Receive and Release Necessary Information

Under the terms of this section, BCBSM may need to release or get Enrollee information which it deems to be necessary. An Enrollee who claims benefits under the Certificate of Coverage must provide BCBSM with that information. This includes notifying BCBSM of any change in other insurance coverage.

Workers' Compensation

BCBSM does not pay for treatment of work-related injuries covered by workers' compensation laws. BCBSM does not pay for work-related services you get at an employer's medical clinic or other facility.

Dentists acting for BCBSM decide dental necessity. It is based on criteria and guidelines developed by these dentists who are acting for their respective peer provider type or specialty.

Some services will need to be approved (prior authorized) by Blue Cross Blue Shield of Michigan (BCBSM) before the Enrollee can get them. The Enrollee can only get the services BCBSM and HKD covers. Some services need to be approved by BCBSM and HKD before the Enrollee can get them. Your dentist can tell you which services will require prior authorization. You can also call Dental Customer Service at 1-800-936-0935 during regular business hours: Monday through Friday from 8 a.m. to 5 p.m. Eastern Time, except state and federal holidays. (TTY users should call 711.)

Your dentist has to submit the request for prior authorization. BCBSM will notify your dentist and send the Enrollee written notice of any decision to deny a service which requires prior authorization within 14 calendar days from receipt of the request for service authorization.

If your dentist requests an urgent prior authorization, BCBSM will notify both the dentist and enrollee of the decision within 72 hours.

If a prior authorization request is not approved, at your request and without charge, our dental partner will send you details from the HKD dental care plan if a denial decision was based on your benefits. If the decision was based on medical or dental guidelines, our dental partner will provide you with the appropriate protocols and treatment criteria. If a medical or dental expert was involved in making the decision, the expert's credentials will be provided.

To request information about the HKD dental care plan or the medical/dental guidelines used, or if you need help with the appeal process, call the Dental Customer Service number shown above. It is also on the back of the Enrollee's BCBSM ID card.
