

# Blue Care Network Qualification Form

## What to do

The *Blue Care Network Qualification Form* is on Page 2. It applies to members who are part of:

- Healthy *Blue Living*<sup>SM</sup> HMO
- Healthy *Blue Living* HMO Basic<sup>SM</sup>
- BCN Wellness Rewards Tracking<sup>SM</sup>

Complete the *Member Section*, then give the form to your primary care physician as a reminder for him or her to submit your form online. **Online submission of your qualification form is due within the first 90 days of your plan year.** Your deadline date is posted on your to-do list in your member account at **bcbsm.com**. See below.

You don't need to wait until your new plan year starts to see your doctor. We'll accept a qualification form from an office visit that occurred up to 180 days before the start of your plan year.

## Learn your requirements, deadline dates and more about your coverage

You have certain tasks to complete within specific timeframes. **Here's how you can check what you need to do, see the deadline dates of your requirements and learn more about your coverage:**

- Refer to the *Member Handbook* you received in the mail.
- Save the letters you receive from BCN about the requirements and deadlines specific to you.
- Check your to-do list in your member account; your requirements and deadlines are posted here.
  - Log in to your member account at **bcbsm.com** using your computer or the web browser on your mobile device or tablet (not the Blue Cross mobile app).
  - Click *My Coverage* in the navigation menu.
  - Click *Medical* from the drop-down menu.
  - Click *To-do List*.
- Call the Customer Service number on the back of your BCN member ID card with questions.

**Important:** The qualification form shows that a cotinine test is required. A cotinine test checks for tobacco use. Some members may not be required to complete the cotinine test — see your member materials for information.
