

Blue Cross and BCN Drug List Updates

December 2020

This page shows the updates made to the [BCBSM Clinical Drug List](#), [BCBSM/BCN Custom Drug List](#), [BCBSM/BCN Custom Select Drug List](#) and [Preferred Drug List](#), since the last monthly drug list publication.

To help ensure that you receive the highest quality, most affordable care, we routinely assess new and existing drugs to determine their safety and effectiveness. The drugs listed below are either new or their status has recently changed based on our routine assessment. Drugs that are removed from a drug list are no longer covered. To see all drugs included in your plan's drug list, visit us online.
