Mail Service Saver and Saver90 Maintenance Drug List

The following maintenance drugs are part of our Mail Service Saver and Saver90 programs.

Mail Service Saver coverage:

- These medications will be covered only if filled through OptumRx® home delivery pharmacy

Saver90 coverage:

- These medications are covered only if filled at a select participating retail pharmacy or OptumRx home delivery pharmacy.

Maintenance drugs are taken on a regular basis to treat chronic conditions like high blood pressure, heart disease, asthma and diabetes.

This list does not include all available drugs. Your prescription drug plan may not cover all the drugs on this list and you may have to pay full price for your drug. Preventive drugs defined by the Affordable Care Act that are on this list have no out-of-pocket cost when you fill according to the Mail Service Saver and Saver90 program requirements. **This list is current as of March 2022** and is subject to change.

If you have any questions, call the Customer Service number on the back of your member ID card.

Updated: March 2022

Blue Cross Blue Shield of Michigan and Blue Care Network are nonprofit corporations and independent licensees of the Blue Cross and Blue Shield Association.

OptumRx is an independent company providing home delivery pharmacy and other pharmacy benefit management services to Blue Cross Blue Shield of Michigan and Blue Care Network.
