

Blue Cross Online Visits – Suggested social media post and image
Medical and behavioral health care

This file contains a suggested post and an image to upload to your company’s social media. A .jpg file of the image is available in the electronic version of this kit at **bcbsm.com/engage**.

Please link the image to **bcbsmonlinevisits.com**.

Suggested post:
With online visits, you can see a therapist or psychiatrist from the comfort of your own home. Or see a doctor when you’re feeling feverish but stuck at work. Sign up now, and get convenient care for your body and mind.
