I certify that:

- All required certificates and licensures are current and valid.
- The facility must have an organized medical staff established in accordance with policies and procedures developed by the facility which will be responsible for maintaining proper standards of medical care. Criteria for membership on the medical staff must be established and enforced by a credentials evaluation program established by the facility.
- I understand that Blue Cross Complete may do an on-site survey after review of this application to verify program compliance and the accuracy of any information provided.
- Written criteria for participation of medical staff exist for this facility.
- All employed and contracted health care professionals maintain current Michigan licenses or certifications as required for their positions. All staff members are licensed or certified as required for their positions.
- The facility maintains financial records that conform to generally accepted accounting principles and practices.
- All policies and procedures are implemented and enforced by this facility.
- The facility will comply with any requests for information, documentation or on site review reviews necessary to credential the site.
- The facility conducts program evaluation and utilization review to assess the appropriateness and effectiveness of its programs.
- I understand the effective date of participation is the date the application is actually approved by Blue Cross Complete and is not the date the application was submitted or received.
- I understand the facility is not eligible to submit claims for payment until it is approved by Blue Cross Complete, both parties sign the agreements and the processing systems are updated.
- I understand Blue Cross Complete's payment rates and the terms of its standard participation agreement are not negotiable.
- Blue Cross Complete shall be held harmless for any claims and lawsuits that arise as a result of the misrepresentation of information provided in response to this application.
- Neither the facility nor its managing employees, officers, directors, or major shareholders or owners (i.e. person with beneficial ownership of 5 percent or more) appear in Social Security Administration's *Death Master* File; the *National Plan and Provider Enumeration* System; the *Medicare Exclusion Database*; the Michigan Department of Health and Human Services /Medical Services Administration, *Sanctioned Provider* List; the Licensing and Regulatory Affairs *Disciplinary Action Report*; and any other database as the secretary of HHS may prescribe. Credentialing – Healthcare professional and provider rights

I understand that healthcare professional and providers have the right to:

- Review information obtained through primary source verification for credentialing purposes. This includes information from malpractice insurance carriers and state licensing boards. This does not include information collected from references, recommendations and other peer review protected information
- Be notified if any credential information is received that varies substantially from application information submitted by the health care professional or provider: (actions on license, malpractice claim history, suspension or termination of hospital privileges, or board-certification decisions with the exception of reference, recommendations or other peer-review protected information. The health care professional or provider will have the right to correct erroneous information if the credentialing information received varies substantially from the information that was submitted on his or her application
- Upon request, be informed of the status of their application – if application is current and complete, the applicant can be informed of the tentative date that his or her application will be presented to the Credentialing Committee for approval.
