

Changes coming for the end of the public health emergency

On Jan. 30, 2023, the White House announced that it will end the public health emergency on May 11, 2023.

Blue Cross and BCN enacted temporary measures to support providers and protect members during the COVID-19 pandemic. We'll update the [Temporary changes due to the COVID-19 pandemic](#) document as we determine which temporary changes become permanent and which will end.
