Claims for Pfizer booster vaccine were applying cost sharing in error for members with Blue Cross commercial coverage

Member cost sharing was applied in error for Blue Cross commercial facility claims for Michigan-based contracts (typically referred to as MOS) for the Pfizer COVID-19 booster vaccine, procedure code *0004A.

On Dec. 8, 2021, we updated our systems to fix this error. Our systems started waiving member cost sharing for claims submitted on or after Dec. 9, 2021, for procedure code *0004A.

Please resubmit claims for which member cost sharing was applied for procedure code *0004A. We'll adjust the claims to waive member cost sharing.

We know this error affected many of our providers. We apologize for the inconvenience and thank you for your patience.
