

## Reimbursement announced for M0201 for home health care agencies administering the COVID-19 vaccine in the home of eligible patients

Reimbursement for HCPCS Level II code M0201 has been added to the Blue Cross professional fee schedules as announced July 9. You can access the fee schedules within Provider Secured Services under *BCBSM Provider Publications and Resources* by selecting *Entire Fee Schedules and Fee Changes*. M0201 is listed on the *BCBSM Professional Fee Changes* page.

Home health care agencies need to enroll to provide in-home COVID-19 vaccinations to eligible members. More information about the enrollment process and member eligibility is available in a provider alert posted June 17.
