Blue Cross and BCN work with providers to launch home-based substance use disorder treatments during COVID-19

To help address needs during the COVID-19 pandemic, Blue Cross Blue Shield of Michigan and Blue Care Network are developing telehealth programs with behavioral health providers so certain patients with substance use disorder can undergo detoxification and treatment at home. Read more in a [News Release](#).

We first told you about this in a provider alert dated April 17, 2020, titled, "Blue Cross and BCN support outpatient behavioral health treatment delivered via telemedicine."
